What Buildings Do People Call Home? - Jackson, Mike ...

A polling place is where voters cast their ballots in elections. The phrase polling station is also used in American English and in British English, although polling place is the building and polling station is the specific room where voters cast their votes. A polling place can contain one or more polling stations. Since elections generally take place over a one- or two-day span on a periodic basis, often annual or longer, polling places are usually located in facilities used for other purposes

Polling place - Wikipedia

A Building is called a Building because it is to some extent always under construction, always changing a little from the original concept. Building continues. Architects often design buildings as if they were finished works of art.

Why is a building called a building even though it's ...

Single-family residential buildings are most often called houses or homes. Multi-family residential

buildings containing more than one dwelling unit are called a duplex or an apartment building. A condominium is an apartment that the occupant owns rather than rents.

Building - Wikipedia

The fact that buildings and structures don't move tells us that the forces acting on them must indeed be balanced—and that's why we call these sorts of constructions static structures. If you've ever seen a building being demolished by a crane with a wrecker ball (a ball and chain), you will have noticed that buildings can stay up even with most of their walls knocked away.

How buildings work: the science of forces and static ...

The types of buildings were:- the cathedral church, the parish church, the monastery, the castle, the palace, the great hall and the gatehouse. Before the 20th century, the landmark building in almost every town was a church, cathedral, abbey, or town hall with its tall tower or spire rising high above all the houses.

Gothic architecture - Simple English Wikipedia, the free ...

British a building with rooms for people to rent, usually for short periods only. The American word is rooming house. log cabin noun. a small simple house made of logs in the countryside or in the mountains. love nest noun. mainly journalism a house or flat where two people go to be together, especially if they are having a secret love affair.

buildings where people live or stay - synonyms and related ...

Some buildings are meeting places. A large number of people can gather at a temple or theater or stadium to worship god or to hear or see what other people say or do. In Christendom they are called churches. Until we began to build skyscrapers, religious buildings were usually the largest, tallest buildings in a town. Fortresses and castles were also big but usually were not in town. Big buildings require much work to make, thus can symbolize power.
