For each rarity level, there is a maximum level that an ability can reach. Higher levels can mean higher frequency of the

ability's use, greater effectiveness, and more power. Pets found from a high-rarity egg will behave as if their previous levels' stats were maxed. A pet fused without maxed abilities will result in a higher-rarity level pet with a lower maximum ability cap, and in the long run, this will create an overall weak high-rarity pet that will not really be worth spending ...
