It adds a nice change to every day demon slaying. That being said, I found this book tended to drone on and after a week of struggling to reach 70%, I began skimming. Also, this book had a ton of typos and really needs a good edit. The overall story is fine, but needs to be tightened up in order to remain engaging.

So I've decided to write
my own manual, The
Dangerous Book for
Demon Slayers,
because no one tells
me anything. Dimitri
my "protector" may be
one stud of a shape-

always thinks he can
handle everything by
himself. Only he's no
match for the soul-
stealing succubi taking
over Las Vegas.
