Lost in a Good Book

A Thursday Next Novel *Penguin*

The second installment in Jasper Fforde's New York Times bestselling series follows literary detective Thursday Next on another adventure in her alternate reality of literature-obsessed England—from the author of *The Constant Rabbit*. The inventive, exuberant, and totally original literary fun that began with *The Eyre Affair* continues with New York Times bestselling author Jasper Fforde's magnificent second adventure starring the resourceful, fearless literary sleuth Thursday Next. When Landen, the love of her life, is eradicated by the corrupt multinational Goliath Corporation, Thursday must moonlight as a *Prose Resource Operative of Jurisdiction*—the police force inside the BookWorld. She is apprenticed to the man-hating Miss Havisham from Dickens's *Great Expectations*, who grudgingly shows Thursday the ropes. And she gains just enough skill to get herself in a real mess entering the pages of Poe's "The Raven." What she really wants is to get Landen back. But this latest mission is not without further complications. Along with jumping into the works of Kafka and Austen, and even Beatrix Potter's *The Tale of the Flopsy Bunnies*, Thursday finds herself the target of a series of potentially lethal coincidences, the authenticator of a newly discovered play by the Bard himself, and the only one who can prevent an unidentifiable pink sludge from engulfing all life on Earth. It's another genre-bending blend of crime fiction, fantasy, and top-drawer literary entertainment for fans of Douglas Adams and P. G. Wodehouse. Thursday's zany investigations continue with *The Well of Lost Plots*.

Churchill and Orwell

The Fight for Freedom *Penguin*

A New York Times bestseller! A New York Times Book Review

Notable Book of 2017 A dual biography of Winston Churchill and George Orwell, who preserved democracy from the threats of authoritarianism, from the left and right alike. Both George Orwell and Winston Churchill came close to death in the mid-1930's—Orwell shot in the neck in a trench line in the Spanish Civil War, and Churchill struck by a car in New York City. If they'd died then, history would scarcely remember them. At the time, Churchill was a politician on the outs, his loyalty to his class and party suspect. Orwell was a mildly successful novelist, to put it generously. No one would have predicted that by the end of the 20th century they would be considered two of the most important people in British history for having the vision and courage to campaign tirelessly, in words and in deeds, against the totalitarian threat from both the left and the right. In a crucial moment, they responded first by seeking the facts of the matter, seeing through the lies and obfuscations, and then they acted on their beliefs. Together, to an extent not sufficiently appreciated, they kept the West's compass set toward freedom as its due north. It's not easy to recall now how lonely a position both men once occupied. By the late 1930's, democracy was discredited in many circles, and authoritarian rulers were everywhere in the ascent. There were some who decried the scourge of communism, but saw in Hitler and Mussolini "men we could do business with," if not in fact saviors. And there were others who saw the Nazi and fascist threat as malign, but tended to view communism as the path to salvation. Churchill and Orwell, on the other hand, had the foresight to see clearly that the issue was human freedom—that whatever its coloration, a government that denied its people basic freedoms was a totalitarian menace and had to be resisted. In the end, Churchill and Orwell proved their age's necessary men. The glorious climax of Churchill and Orwell is the work they both did in the decade of the 1940's to triumph over freedom's enemies. And though Churchill played the larger role in the defeat of Hitler and the Axis, Orwell's reckoning with the menace of authoritarian rule in *Animal Farm* and *1984* would define the stakes of the Cold War for its 50-year course, and continues to give inspiration to fighters for freedom to this day. Taken together, in Thomas E. Ricks's masterful hands, their lives

are a beautiful testament to the power of moral conviction, and to the courage it can take to stay true to it, through thick and thin. Churchill and Orwell is a perfect gift for the holidays!

What the Road Said *Feiwel & Friends*

A comforting and uplifting picture book from bestselling poet and activist Cleo Wade. Which way do I go? That is your choice to make, said the Road. But what if I go the wrong way? The Road curved a little, almost as if it was giving me a hug, and said, Do not worry. Sometimes we go the wrong way on our way to the right way. It's okay to be afraid or to sometimes wander down the wrong path. Beloved poet Cleo Wade's *What the Road Said* features illustrations by Lucie de Moyencourt and encourages us to lead with kindness and curiosity, remembering that the most important thing we can do in life is to keep going.
