It's Kim's birthday! I love what Stephanie says-- "That's so Maven!" (she is the Maven of Mischief, after all...)And Oh, the Mischief. I honestly don't know what I'd do without the magic of my Kim in my life. Unfortunately because of schedules and overall life, I don't get to see her nearly enough--but a good dose of Kim is

definitely what's needed more often than not.
