The current interactive distillery map of Scotland is perfectly suited to its name - in the sense that it's interactive and it only covers Scotland. The current map is still 99% accurate and up-to-date, but with a handful of new distilleries gearing up, it's time for a big update. But even when the Scotch map is fully updated, more work lies ahead. When I published the Scotch distillery ...

Scotland Whisky Regions Map. Originally, Scotland broke down into four officially-recognised whisky regions: Highlands, Lowlands, Isle of Islay, and Campbeltown. Speyside was eventually brought into the fold and with good reason, as it has the country's largest number of distilleries. That raised the tally of unique regions to five, according to the Scotch Whisky Association (SWA). Meanwhile ...
