The Journey to Understanding and Forgiveness *P & R Publishing*

"Marvin Olasky explores how his Jewish American father was impacted by World War 2, Reconstructionist Judaism, and social Darwinist teaching at Harvard-facing pain in order to understand and forgive"--

Justice

Rights and Wrongs *Princeton University Press*

Wide-ranging and ambitious, Justice combines moral philosophy and Christian ethics to develop an important theory of rights and of justice as grounded in rights. Nicholas Wolterstorff discusses what it is to have a right, and he locates rights in the respect due the worth of the rights-holder. After contending that socially-conferred rights require the existence of natural rights, he argues that no secular account of natural human rights is successful; he offers instead a theistic account. Wolterstorff prefaces his systematic account of justice as grounded in rights with an exploration of the common claim that rights-talk is inherently individualistic and possessive. He demonstrates that the idea of natural rights originated neither in the Enlightenment nor in the individualistic philosophy of the late Middle Ages, but was already employed by the canon lawyers of the twelfth century. He traces our intuitions about rights and justice back even further, to Hebrew and Christian scriptures. After extensively discussing justice in the Old Testament and the New, he goes on to show why ancient Greek and Roman philosophy could not serve as a framework for a theory of rights. Connecting rights and wrongs to God's relationship with humankind, Justice not only offers a rich and compelling philosophical account of justice, but also makes an important contribution to overcoming the present-day divide between religious discourse and human rights.

Byars, John Claypool, William Sloan Coffin, Stephen T. Davis, J. Howard Edington, Jonathan Edwards, Laura Mendenhall, and more. (Ministry and Pastoral Resources)

Gone but Not Lost

Grieving the Death of a Child *Baker Books*

We all expect our parents to precede us in death. No one expects to have to make their child's funeral arrangements. And the loss of a child brings with it a special and persistent manifestation of grief that can feel "like a stomachache that never ends." Gone but Not Lost is a thoughtful gift for a family that has experienced the death of a child. Each of its brief chapters covers one element of grieving, bringing readers through sorrow and helping them deal with feelings of anger or guilt, as well as the marital strain that may follow the loss of a beloved child.

Jephthah’s Daughter, Sarah’s Son

The Death of Children in Late Antiquity *Univ of California Press*

Late antiquity was a perilous time for children, who were often the first victims of economic crisis, war, and disease. They had a one in three chance of dying before their first birthday, with as many as half dying before age ten. Christian writers accordingly sought to speak to the experience of bereavement and to provide cultural scripts for parents who had lost a child. These late ancient writers turned to characters like Eve and Sarah, Job and Jephthah as models for grieving and for confronting or submitting to the divine. Jephthah's Daughter, Sarah’s Son traces the stories these writers crafted and the ways in which they shaped the lived experience of familial bereavement in ancient Christianity. A compelling social history that conveys the emotional lives of people in the late ancient world, Jephthah's Daughter, Sarah's Son is a powerful portrait of mourning that extends beyond antiquity to the present day.

Art in Action

Twards a Christian Aesthetic *Wm. B. Eerdmans Publishing*

From the perspective of Christian theology, discusses aesthetics, the philosophy of art, and the role of art in urban life

Psalms of Lament *Westminster John Knox Press*

Here beloved poet Ann Weems offers a poignant rendering of her own personal psalms of lament. She draws from the rich heritage of Scripture to give voice to the grief and anguish she has felt. Her words will deeply move anyone who has mourned.

After the Death of a Child

Living with the Loss Through the Years *Simon and Schuster*

For a parent, losing a child is the most devastating event that can occur. Most books on the subject focus on grieving and recovery, but as most parents agree, there is no recovery from such a loss. This book examines the continued love parents feel for their child and the many poignant and ingenious ways they devise to preserve the bond. Through detailed profiles of parents, Ann Finkbeiner shows how new activities and changed relationships with their spouse, friends, and other children can all help parents preserve a bond with the lost child. Based on extensive interviews and grief research, Finkbeiner explains how parents have changed five to twenty-five years after the deaths of their children. The first half of the book discusses the short- and long-term effects of the child’s death on the parent’s relationships with the outside world, that is, with their spouses, other children, friends, and relatives. The second half of the book details the effect on the parents’ internal

world: their continuing sense of guilt; their need to place the death in some larger context and their inability sometimes to consistently do so; their new set of priorities; the nature of their bond with the lost child and the subtle and creative ways they have of continuing that bond. Finkbeiner’s central point is not so much how parents grieve for their children, but how they love them. Refusing to fall back on pop jargon about “recovery” or to offer easy solutions or standardized timelines, Finkbeiner’s is a genuine and moving search to come to terms with loss. Her complex profiles of parents resonate with the honesty and authenticity of uncomfortable emotions expressed and, most importantly, shared with others experiencing a similar loss. Finally, each profile exemplifies the many heroic ways parents learn to live with their pain, and by so doing, honor the lives their children should have lived.

A Brave Lament

For Those Who Know Death

A Brave Lament encourages the scandalous invitation into the belly of grief. Pain matters and is the doorway to knowing God more fully. With heart-wrenching grief assessable through poetic writings, hope is found in the most unlikely place, in the pain itself. This book undertakes the enormous task of stepping into our own heartache with the tragic loss of our son, Jackson Brave Bauman while inviting the reader into their own stories of sorrow for the sake of collectively healing our wounds. The following pages have sustained us; these words have been bread and water to our soul may they be the same to you. -Andrew & Christy

Foreskin's Lament

A Memoir *Penguin*

A New York Times Notable Book, and a “chaotic, laugh riot” (San Francisco Chronicle) of a memoir. Shalom Auslander was raised with a terrified respect for God. Even as he grew up and was estranged from his community, his religion and its traditions, he could not find the path to a life where he didn’t struggle daily with the fear of God’s formidable wrath. Foreskin’s Lament reveals Auslander’s “painfully, cripplingly, incurably, miserably religious” youth in a strict, socially isolated Orthodox Jewish community, and recounts his rebellion and efforts to make a new life apart from it. His combination of unrelenting humor and anger renders a rich and fascinating portrait of a man grappling with his faith and family.

The Louder Song

Listening for Hope in the Midst of Lament *NavPress Publishing Group*

Lament helps us hear God's louder song. When you're in the midst of suffering, you want answers for the unanswerable, resolutions to the unresolvable. You want to tie up pain in a pretty little package and hide it under the bed, taking it out only when you feel strong enough to face it. But grief won't be contained. Grief disobeys. Grief explodes. In one breath, you may be able to say that God's got this and all will be well. In the next, you might descend into fatalism. No pretending. Here, you are raw before God, an open wound. There is a pathway through this suffering. It's not easy, but God will use it to lead you toward healing. This path is called lament. Lament leads us between the Already and the Not Yet. Lament minds the gap between current hopelessness and coming hope. Lament anticipates new creation but also acknowledges the painful reality of now. Lament recognizes the existence of evil and suffering--without any sugarcoating--while simultaneously declaring that suffering will not have the final say. In the midst of your darkest times, you will discover that lament leads you back to a place of hope--not because lamenting does anything magical, but because God sings a louder song than suffering ever could, a song of renewal and restoration.

Approaching the Atonement

The Reconciling Work of Christ *InterVarsity Press*

Theologian Oliver Crisp explores the meaning of the cross and the various ways that the death of Jesus has been interpreted in the church's history—from ransom theory in the early church to penal substitutionary theory to more recent feminist critiques. What emerges is a more complex, expansive, and fruitful understanding of the atonement and its significance for the Christian faith today.

Grief Observed *Zondervan*

Written after his wife's tragic death as a way of surviving the "mad midnight moment," A Grief Observed is C.S. Lewis's honest reflection on the fundamental issues of life, death, and faith in the midst of loss. This work contains his concise, genuine reflections on that period: "Nothing will shake a man -- or at any rate a man like me -- out of his merely verbal thinking and his merely notional beliefs. He has to be knocked silly before he comes to his senses. Only torture will bring out the truth. Only under torture does he discover it himself." This is a beautiful and unflinchingly honest record of how even a stalwart believer can lose all sense of meaning in the universe, and how he can gradually regain his bearings.

Hearing the Call

Liturgy, Justice, Church, and World *Wm. B. Eerdmans Publishing Company*

What is the Word of the Lord for a world of injustice? What does it mean to hear the cries of the oppressed? What does liturgy have to do with justice? These questions have been at the heart of Nicholas Wolterstorff s work for over forty years. In this collection of essays, he brings together personal, historical, theological, and contemporary perspectives to issue a passionate call to work for justice and peace. An essential complement to his now classic Until Justice and Peace Embrace, the forthcoming Love and Justice, and Justice, this book makes clear why Wolterstorff is one of the church s most incisive and compelling voices. Between the Times invites us not simply into new ways of thinking, but a transformational way of life.

The Hurley Maker's Son *Random House*

Patrick Deeley's train journey home to rural East Galway in autumn 1978 was a pilgrimage of grief: his giant of a father had been felled, the hurley-making workshop silenced. From this moment, Patrick unfolds his childhood as a series of evocative moments, from the intricate workings of the timber workshop run by his father to the slow taking apart of an old tractor and the physical burial of a steam engine; from his mother’s steady work on an old Singer sewing machine to his father’s vertiginous quickstep on the roof of their house. There are many wonderful descriptions of the natural world and delightful cameos of characters and incidents from a not-so-long-ago country childhood. In a style reminiscent of John McGahern’s Memoir, Deeley’s beautifully paced prose

captures the rhythms, struggles and rough edges of a rural life that was already dying even as he grew. This is an enchanting, beautifully written account of family, love, loss, and the unstoppable march of time.

In This World of Wonders

Memoir of a Life in Learning *Wm. B. Eerdmans Publishing*

World-renowned Christian philosopher. Beloved professor. Author of the classic Lament for a Son. Nicholas Wolterstorff is all of these and more. His memoir, In This World of Wonders, opens a remarkable new window into the life and thought of this remarkable man. Written not as a complete life story but as a series of vignettes, Wolterstorff’s memoir moves from his humble beginnings in a tiny Minnesota village to his education at Calvin College and Harvard University, to his career of teaching philosophy and writing books, to the experiences that prompted some of his writing—particularly his witnessing South African apartheid and Palestinian oppression firsthand. In This World of Wonders is the story of a thoughtful and grateful Christian whose life has been shaped by many loves—love of philosophy, love of family, love of art and architecture, love of nature and gardening, and more. It’s a lovely, wonderful story.

Golden Child

A Novel *SJP for Hogarth*

"Published in Great Britain by Faber and Faber UK"--Title page verso.

The Uncontrollable Child

Understand and Manage Your Child's Disruptive Moods with Dialectical Behavior Therapy Skills *New Harbinger Publications*

Evidence-based skills, insight, and methods drawn from dialectical behavior therapy (DBT) to help you gain a greater understanding of your child’s behavior, parent them with compassion and confidence, and restore peace to your home. Is your child extremely irritable most of the time? Do they have difficulty interpreting social cues? Are they impulsive and prone to outbursts or explosive rages? Parenting a child who has emotional dysregulation can be a bumpy ride. You’ve probably received advice—some of it unsolicited—from friends, teachers, and family members. But strategies and techniques that work for other kids are usually ineffective when it comes to your unique child, and can even lead to more stress for everyone in your family. The Uncontrollable Child is here to help. Written for parents of children with emotion dysregulation disorders, including disruptive mood dysregulation disorder (DMDD), The Uncontrollable Child is a lifeline. It contains a powerful set of skills based in dialectical behavior therapy (DBT)—including mindfulness, validation, limit-setting, and behavior-shaping—to help you better understand your child and their behavior, and successfully find balance between acceptance and change, flexibility and consistency, and limits and love. As a parent, you want the very best for your child, but if you have a child with explosive emotions, you need extra help. Let this book guide you toward creating a nurturing, healthy, and loving environment in which your whole family can thrive.

Safe in the Arms of God

Truth from Heaven About the Death of a Child *Thomas Nelson*

"Is my baby in heaven?" This is the most important question a grieving parent can ask. And even if the little one is someone else's child, the issue remains: What happens to children?those unborn, stillborn, or youngsters?when they die? Can you hope to see them again? Can you let go of your fear and guilt? Can God's love soothe a wound so jagged? With scriptural authority and the warmth of a pastor's heart, bestselling author John MacArthur examines the breadth of the entire Bible and reveals in this compelling book the Heavenly Father's care for every life. "I have sat by the grave of our daughter and son and wondered out loud if my belief that Hope and Gabriel are in heaven has any solid scriptural support. John MacArthur offers truth from God's Word that puts the doubts of any grieving parent to rest. Safe in the Arms of God reveals that confidence of heaven for the child you love is based on much more than mere sentimentality; it is revealed in the Word of God and reflective of the very heart of God." ?Nancy Guthrie, author of Holding On to Hope

Five Cries of Grief

One Family's Journey to Healing After the Tragic Death of a Son *Augsburg Books*

Beginning with a dramatic story of the death of a young adult son, this book presents a new apradigm for the grief process. An alternative to Kubler-Ross, this text is structured around five cries of grief--the cry of pain, the cry of longing, the cry for supportive love, the cry for understanding, and the cry for significance.

A Grace Disguised

How the Soul Grows Through Loss *Zondervan*

"The experience of loss does not have to be the defining moment of our lives", writes Gerald Sittser. "Instead, the defining moment can be our response to the loss. It is not what happens to us that matters so much as what happens in us". Sittser knows. A tragic accident introduced him to loss of a magnitude few of us encounter. But this is not a book about one man's sorrow. It's about the grace that can transform us in the midst of sorrow. For those experiencing loss, A Grace Disguised offers a compassionate, deeply affirming message of hope, richness in living, and joy not after the darkness, but even in the midst of it. Now in softcover.

Therefore I Have Hope

12 Truths That Comfort, Sustain, and Redeem in Tragedy *Crossway*

"Throughout the journey of my worst nightmare—my descent into a dark, sad valley—the Holy Spirit would remind me of truths that comforted my soul and sustained my life." After the sudden death of their three-year-old son, Cameron Cole and his wife found themselves clinging to Christ through twelve key theological truths—truths that became their lifeline in the midst of unthinkable grief. Weaving together their own story of tragic loss and abiding faith, Cole explores these twelve life-giving truths to offer hope and comfort to those in the midst of tragedy.

A Liturgy of Grief

A Pastoral Commentary on Lamentations *Baker Academic*

Allen, an experienced scholar and hospital chaplain, is the first to use the Old Testament book of

Lamentations to throw light on grief, and to use contemporay examples and discussions of grief to throw lights on Lamentations.

Hurting with God

Learning to Lament with the Psalms *ACU Press*

How do believers live out faith in prolonged seasons of pain and loss? How can we live with God when it hurts--and continues to hurt? Drawing from his own daily struggle with chronic pain and years of reading and teaching the Psalms, Pemberton leads readers on a quest to recover a lost ancient resource for people of faith--the language of lament. This rich volume calls attention to the loss of lament in churches, what this loss is costing us, and what might happen if we spoke and prayed the full spectrum of biblical faith languages. Hurting with God makes a persuasive case for restoring the biblical language of lament in the church and in the lives of believers.

The Moon Is Always Round *New Growth Press*

Even young children want answers to the hard questions about God and suffering. In *The Moon Is Always Round*, seminary professor and author Jonathan Gibson uses the vivid imagery of the moon to explain to children how God's goodness is always present, even when it might appear to be obscured by upsetting or difficult circumstances. In this beautiful, full-color illustrated book, he allows readers to eavesdrop on the conversations he had with his young son in response to his sister's death. Father and son share a simple liturgy together that reminds them that, just as the moon is always round despite its different phases, so also the goodness of God is always present throughout the different phases of life. A section in the back of the book offers further biblical help for parents and caregivers in explaining God's goodness to children. Jonathan Gibson reminds children of all ages that God's goodness is present in the most difficult of times, even if we can't always see it.

Burnings

Poetry. Asian American Studies. LGBT Studies. The poems of BURNINGS explore refugee culture, be the speaker a literal refugee from a torn homeland, or a refugee from his own skin, burning with the heat of awakening eroticism. In this world, we're all refugees from something. As two-time National Slam Champion Roger Bonair-Agard says: "Ocean manages to imbue the desperation of his being alive—with a savage beauty. It is not just that Ocean can render pain as a kind of loveliness, but that his poetic line will not let you forget the hurt or the garish brilliance of your triumph; will not let you look away. These poems shatter us detail by detail because Ocean leaves nothing unturned, because every lived thing in his poems demands to be fed by you; to nourish you in turn. You will not leave these poems dissatisfied. They will fill you utterly."

The Iliad of Homer

Book XXIV

This One Summer *First Second*

A 2015 Caldecott Honor Book A 2015 Michael L. Printz Honor Book Every summer, Rose goes with her mom and dad to a lake house in Awago Beach. It's their getaway, their refuge. Rosie's friend Windy is always there, too, like the little sister she never had. But this summer is different. Rose's mom and dad won't stop fighting, and when Rose and Windy seek a distraction from the drama, they find themselves with a whole new set of problems. One of the local teens - just a couple of years older than Rose and Windy - is caught up in something bad... Something life threatening. It's a summer of secrets, and sorrow, and growing up, and it's a good thing Rose and Windy have each other. This One Summer is a tremendously exciting new teen graphic novel from two creators with true literary clout. Cousins Mariko and Jillian Tamaki, the team behind *Skim*, have collaborated on this gorgeous, heartbreaking, and ultimately hopeful story about a girl on the cusp of childhood - a story of renewal and revelation. This title has Common Core connections.

Abraham's Silence

The Binding of Isaac, the Suffering of Job, and How to Talk Back to God *Baker Academic*

It is traditional to think we should praise Abraham for his willingness to sacrifice his son as proof of his love for God. But have we misread the point of the story? Is it possible that a careful reading of Genesis 22 could reveal that God was not pleased with Abraham's silent obedience? Widely respected biblical theologian, creative thinker, and public speaker J. Richard Middleton suggests we have misread and misapplied the story of the binding of Isaac and shows that God desires something other than silent obedience in difficult times. Middleton focuses on the ethical and theological problem of Abraham's silence and explores the rich biblical tradition of vigorous prayer, including the lament psalms, as a resource for faith. Middleton also examines the book of Job in terms of God validating Job's lament as "right speech," showing how the vocal Job provides an alternative to the silent Abraham. This book provides a fresh interpretation of Genesis 22 and reinforces the church's resurgent interest in lament as an appropriate response to God.

A Tribute to My Son

This book is tribute to my lovely son, Talha Muhammad who passed away last year just a day before his 20th birthday. It is an extra ordinary story of our love and longing for each other, throughout our lives and at the end we were given a chance to spend time fully with each other in the hospital, before his permanent departure. Ever since I have turned into a deeply spiritual person and enlightened by God, I've also answered all the frequently asked questions from believers and non believers. So a lot of knowledge there, for everyone with a different perception.Please grab it with a smile.

A Ghost in the Throat *Biblioasis*

An Post Irish Book Awards Nonfiction Book of the Year • A Guardian Best Book of 2020 • Shortlisted for the 2021 Rathbones Folio Prize • Longlisted for the 2021 Republic of Consciousness Prize • Shortlisted for the James Tait Black Biography Prize When we first met, I was a child, and she had been dead for centuries. On discovering her murdered husband’s body, an eighteenth-century Irish noblewoman drinks handfuls of his blood and composes an extraordinary lament. Eibhlín Dubh Ní Chonail’s poem travels through the centuries, finding its way to a new mother who has narrowly avoided her own fatal tragedy. When she realizes that the literature dedicated to the poem reduces Eibhlín Dubh’s life to flimsy sketches, she wants more: the details of the poet’s girlhood and old age; her unique rages, joys, sorrows, and desires; the shape of her days and site of her final place of rest. What follows is an adventure in which Doireann Ní Ghríofa sets out to discover Eibhlín Dubh’s erased life—and in doing so, discovers her own. Moving fluidly between past and present, quest and elegy,

poetry and those who make it, *A Ghost in the Throat* is a shapeshifting book: a record of literary obsession; a narrative about the erasure of a people, of a language, of women; a meditation on motherhood and on translation; and an unforgettable story about finding your voice by freeing another’s.

The Confessions of S. Augustine

Rally

Communal Prayers for Lovers of Jesus and Justice *Upper Room Books*

"This is a prayer book for revolution—a revolution of love and compassion and justice," Shane Claiborne writes in the foreword. The prayers in this collection are meant to be prayed in community. Rally is a prayer book for faith communities searching for words to respond to the injustices around them. It's a prayer book for Christian activists who believe in putting feet to their prayers. The book supplies words for concerned Christians who yearn to lift their voices to God about such issues as racism; the abuse of power and privilege; mistreatment of migrants and refugees; lives tragically lost; our violent society; white supremacy; and people being marginalized because of their gender, ethnic identity, sexual orientation, or economic status. Rally contains prayers for perpetrators, for loving our bodies, for listening to one another, for those who have been wounded by the church. In this resource, readers will find prayers that evoke hope and connection, guidance for sifting through the news and social media headlines, laments about destruction of the earth, and pleas for loving alike though we don't think alike. The beauty of this book lies in the rich variety of voices and experiences of its writers—leaders who work at the intersection of Christianity and social justice and who want to resource those who gather to lament the needs and celebrate the possibilities of a better world. "Lord, stir us up to holy action," cries this powerful book. Rally spurs people to compassionately continue the important work of loving God and neighbor until all of God's people feel safe and seen.

Ecclesiastes *Canongate U.S.*

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

A Good and Happy Child

A Novel *Crown*

A young man reexamines his childhood memories of strange visions and erratic behavior to answer disturbing questions that continue to haunt him and his new family in this psychological thriller named a Washington Post best book of 2007. Thirty-year-old George Davies can’t bring himself to hold his newborn son. After months of accepting his lame excuses and strange behavior, his wife has had enough. She demands that he see a therapist, and George, desperate to save his unraveling marriage and redeem himself as a father and husband, reluctantly agrees. As he delves into his childhood memories, he begins to recall things he hasn’t thought of in twenty years. Events, people, and strange situations come rushing back. The odd, rambling letters his father sent home before he died. The jovial mother who started dating too soon after his father’s death. A boy who appeared one night when George was lonely, then told him secrets he didn’t want to know. How no one believed this new friend was real and that he was responsible for the bad things that were happening. Terrified by all that he has forgotten, George struggles to remember what really happened in the months following his father's death. Were his ominous visions and erratic behavior the product of a grief-stricken child’s overactive imagination? Or were his father’s colleagues, who blamed a darker, more malevolent force, right to look to the supernatural as a means to end George’s suffering? Twenty years later, George still does not know. But when a mysterious murder is revealed, remembering the past becomes the only way George can protect himself--and his young family. A psychological thriller in the tradition of Donna Tartt’s *The Secret History*--with shades of *The Exorcist*--*A Good and Happy Child* leaves you questioning the things you remember and frightened of the things you’ve forgotten. “Beautifully written and perfectly structured. . . . This novel is much more than *The Omen* for the latte generation, and Evans cleverly subverts expectations at every turn.” –Washington Post “[A] satisfying, suspenseful first novel. . . . Young George’s intriguing story unbalances the reader right up to the book’s deliciously chilling end.” —People “A scary, grown-up ghost story that combines Southern gothic with more than a twist of *The Exorcist*. . . . Combine[s] mind-bending storytelling with excellent prose.” —Portland Tribune “Think *Rosemary’s Baby*—plus . . . told in the kind of prose that mesmerizes, sweeping the reader along so fast that there’s no time to ask questions.” —Hartford Courant “[A] dazzling debut . . . part psychological thriller, part horror story.” —Chicago Tribune “Relat[es] his otherworldly suspense story with the cool, calm eye of a skeptic.” —Entertainment Weekly (A—)

Prophetic Lament

A Call for Justice in Troubled Times *InterVarsity Press*

The American church avoids lament. But lament is a missing, essential component of Christian faith. Soong-Chan Rah's prophetic exposition of the book of Lamentations provides a biblical and theological lens for examining the church's relationship with a suffering world. Hear the prophet's lament as the necessary corrective for Christianity's future.

Fortunate Son

Selected Essays from the Lone Star State *University of New Mexico Press*

Rick Bass’s *Fortunate Son* is a literary tour of the Lone Star State by a native Texan of exceptional talent. The essays encompass a Texas that is both lost and found, past and present. The stories reach from Galveston Bay to the Hill Country outside Austin, and from Houston in the 1960s to today. They are bound together by a deep love and a keen eye for the land and its people and by an appreciation for what is given, a ruefulness for what is lost, and a commitment to save what can be saved. “This is a journalist’s Texas scrapbook, then: a firefighting story, a musical pilgrimage, a ramble in Texas’s tiniest public wilderness (one of only five in the entire state). Fishing with my father and uncle on a lake that is partly in Texas and partly in Louisiana; flying around the borders of Texas—usually defined by water, a resource that will vanish in much of the state within our lifetime; hanging out at my parents’ cattle farm down near Goliad; reading the work of Texans before me.”—from the Introduction
