### **Grieg Lyric Pieces For Piano**

Lyric Pieces is a  
 collection of 66 short  
 pieces for solo piano  
 written by Edvard  
 Grieg. They were  
 published in 10  
 volumes, from 1867 to  
 1901. The collection  
 includes several of his  
 best known pieces,  
 such as Wedding Day  
 at Troldhaugen, To  
 Spring, March of the

Trolls, and Butterfly. The theme of the first piece in the set, Arietta, was one of the composer's favorite melodies. He used it to complete the cycle in his last lyric piece, Remembrances — this time as a waltz. In 2002, Norwegian ...

### **Lyric Pieces - Wikipedia**

Between 1867 and 1901, Grieg published 10 books of "Lyric Pieces" for solo piano. From these, Leif Ove Andsnes has drawn a representative selection of 24 melodies from the first, "Arietta", to the final, "Remembrances". While Grieg's Piano Concerto in A minor is known the world over (Andsnes has made a celebrated recording) these highly expressive pieces span virtually

the length of the composer's career, revealing a poetic sensibility midway between Chopin and Debussy.

### **Grieg: Lyric Pieces: Amazon.co.uk: Music**

This set of pieces show what a poetic pianist Grieg was and why he came to be known as the 'Chopin of the north'. Some of the lyric pieces such as 'Butterfly', 'March of the Trolls' and 'Wedding Day at Troldhaugen' are among his best known pieces and like Chopin he was obviously more comfortable with the piano miniature rather than more large scale works.
