Rifts Palladium Ninjas Superspies

Revised

The hard work was worth it as Rifts® was one of Palladium's most popular RPGs of all time. The Rifts® Role-Playing Game made its debut at the Gen Con Game Fair in August of 1990. Everyone at Palladium Books had faith that Rifts® was something special and would be a big hit, but you never know how the fickle winds of the marketplace might blow.

What is Rifts®? - Palladium Books

They have mega-damage armor and weapons, Glitterboys, the Samas pre-cursor (which, funny enough, is slightly more powerful than the CS Samas), and some robots not present in 102 P.A. I'm guessing

that it was a military extension of Nafta that resulted from the Golden Age before the Coming of the Rifts. See Chaos Earth for more details.
