Inner-city black America is often stereotyped as a place of random violence; in fact, violence in the inner city is regulated through an informal but well-known code of the street. How you dress, talk, and behave can have life-or-death consequences, with young people particularly at risk. The most powerful force counteracting this code and its reign of terror is the strong, loving, decent family, and we meet many heroic figures in the course of this narrative.

1533 Words7 Pages For this assignment I decided to read the book Code of the Street: decency, violence, and the moral life of the inner city by Elijah Anderson. This book is about how inner city people live and try and survive by living with the code of the streets. The code of the streets is basically morals and values that these people have.

The same family is likely to have members who are strongly oriented toward decency and civility, whereas other members are oriented toward the street—and to all that it implies. There is also a...

The Code of Street applies to the behavior for the public and is a norm for the community which is alienated (Anderson 69).if these codes of conducts within the street are not fully immersed into the lives of the young they tend to switch to the behaviors that they find on the street, Learning of the street code starts early in one's life from his or her parents to the street families who introduce them to such codes.
