APEX Calculus is an open source calculus text, sometimes called an etext. Available in print and in .pdf form; less expensive than traditional textbooks.

APEX Calculus

This text was written as a prequel to the APEXCalculus series, a three-volume series on Calculus. This text is not intended to fully prepare students with all of the mathematical knowledge they need to tackle Calculus, rather it is designed to review mathematical concepts that are often stumbling blocks in the Calculus sequence. It starts basic and builds to more complex topics.
