Developing the Physical Education Curriculum: An ...

Physical Education is "education through the physical". It aims to develop students' physical competence and knowledge of movement and safety, and their ability to use these to perform in a wide range of activities associated with

the development of an active and healthy lifestyle.

Physical Education - Home - Education Bureau

Physical Development and Movement is an Area of Learning in the Foundation Stage. It gives children the opportunity to experience and develop a range of fundamental movement skills. These improve co-ordination, locomotion, control, balance and manipulation. Teachers should enable children to develop knowledge, understanding and skills in:

Physical Development and Movement | CCEA

The Physical Education (PE) is for children from junior infants to sixth class. The curriculum contributes to children's overall development by helping them to lead full, active and healthy lives. The PE curriculum provides a balanced range of activities for children through the six strands:
