Gower Champion and the Glorious American Musical *St. Martin's Press*

During the Golden Age of the Broadway musical, few director-choreographers could infuse a new musical with dance and movement in quite the way Gower Champion could. From his earliest Broadway success with Bye Bye Birdie to his triumphant and bittersweet valedictory, 42nd Street, musicals directed by Champion filled the proscenium with life. At their best, they touched the heart and stirred the soul with a skillful blend of elegance and American showmanship. He began his career as one-half of "America's Youngest Dance Team" with Jeanne Tyler and later teamed with his wife, dance partner, and longtime collaborator, Marge Champion. This romantic ballroom duo danced across America in the smartest clubs and onto the television screen, performing story dances that captivated the country. They ultimately took their talent to Hollywood, where they starred in the 1951 remake of Show Boat, Lovely to Look At, and other films. But Broadway always called to Champion, and in 1959 he was tapped to direct Bye Bye Birdie. The rest is history. In shows like Birdie, Carnival, Hello, Dolly!, I Do! I Do!, Sugar, and 42nd Street, luminaries such as Chita Rivera, Dick Van Dyke, Carol Channing, Mary Martin, Robert Preston, Tony Roberts, Robert Morse, Tammy Grimes, and Jerry Orbach brought Champion's creative vision to life. Working with composers and writers like Jerry Herman, Michael Stewart, Charles Strouse, Lee Adams, and Bob Merrill, he streamlined the musical making it flow effortlessly with song and dance from start to finish. John Gilvey has spoken with many of the people who worked with Champion, and in Before the Parade Passes By he tells the life story of this most American of Broadway musical director-choreographers from his early days dancing with Marge to his final days spent meticulously honing the visual magic of 42nd Street. Before the Parade Passes By is the life story of one man who personified the glory of the Broadway musical right up until the moment of his untimely death. When the curtain fell to thunderous applause on the opening night of 42nd Street, August 25, 1980, legendary impresario David Merrick came forward, silenced the audience, and announced that Champion had died that morning. As eminent theatre critic Ethan Mordden has firmly put it, "the Golden Age was over." Though the Golden Age of the Broadway musical is over, John Gilvey brings it to life again by telling the story of Gower Champion, one of its most passionate and creative legends.

Hollywood Mad Dogs

A Novel *Texas A&M University Press*

Before his death in 2009, legendary Texas author Edwin "Bud" Shrake completed a final novel based on his real-life adventures as a Hollywood screenwriter in the 1970s and '80s. In this new book, we meet screenwriter Richard Swift, who has been lured away from his cushy job at Sports Illustrated to write a movie for Jack Roach, a matinee idol famous for his electric blue eyes, dimpled chin, and a swagger that makes women swoon. As Swift and his new movie star buddy hurtle through days and nights of Hollywood madness, Shrake's crystalline prose purrs like a Lamborghini speeding along the Pacific Coast Highway. There are spies and fake houses, mountains of drugs, weird sex, crimes, and bizarre feuds. In Hollywood Mad Dogs, Shrake deftly satirizes a world where a screenwriter is supplied with a bag of cocaine and given a week to write a script, a star demands that a pet cat be his sidekick on the trail, and two competing box office titans square off on a golf course, "each of them armed with a putter." This rollicking new novel, discovered among Shrake's literary papers at the Wittliff Collections, provides a hilarious and insightful look at the Hollywood meat grinder. It is a story only Bud Shrake could tell, and it is a worthy addition to the author's celebrated career, which includes some of the most highly praised novels written by a Texan.

Making Java Groovy *Simon and Schuster*

Summary Making Java Groovy is a practical handbook for developers who want to blend Groovy into their day-to-day work with Java. Gower Champion

Dance and American Musical Theatre *Greenwood Publishing Group*

Gower Champion's career spanned the years during which American musical theatre was transformed from a crude popular entertainment into a sophisticated art form. As the director and choreographer of Hello, Dolly!, 42nd Street, and other Broadway musicals, he was central to that transformation. This book is the first extensive treatment of his life and contribution to dance and American musical theatre. The volume draws on the holdings of various special collections, is informed by careful analyses of Champion's scripts, and depends on information gathered through interviews with those who knew and worked with Champion throughout his legendary career.

The Song Is You

Musical Theatre and the Politics of Bursting into Song and Dance *University of Iowa Press*

Musicals, it is often said, burst into song and dance when mere words can no longer convey the emotion. This book argues that musicals burst into song and dance when one body can no longer convey the emotion. Rogers shows how the musical’s episodes of burlesque and minstrelsy model the kinds of radical relationships that the genre works to create across the different bodies of its performers, spectators, and creators every time the musical bursts into song. These radical relationships—borne of the musical’s obsessions with “bad” performances of gender and race—are the root of the genre’s progressive play with identity, and thus the source of its subcultural power. However, this leads to an ethical dilemma: Are the musical’s progressive politics thus rooted in its embrace of regressive entertainments like burlesque and minstrelsy? The Song Is You shows how musicals return again and again to this question, and grapple with a guilt that its joyous pleasures are based on exploiting the laboring bodies of its performers. Rogers argues that the discourse of “integration”—which claims that songs should advance the plot—has functioned to deny the radical work that the musical undertakes every time it transitions into song and dance. Looking at musicals from The Black Crook to Hamilton, Rogers confronts the gendered and racial dynamics that have always under-girded the genre, and asks how we move forward.

A Taste of Broadway

Food in Musical Theater *Rowman & Littlefield*

Beyond being just fuel for the body, food carries symbolic importance used to define individuals, situations, and places, making it an ideal communication tool. In musical theater, food can be used as a shortcut to tell the audience more about a setting, character, or situation. Because everyone relates to eating, food can also be used to evoke empathy, amusement, or shock from the audience. In some cases, food is central to show's plot. This book looks at popular musical theater shows to examine which foods are used, how they are used, why they are important, and how the food or usage relates to the broader world. Included are recipes for many of the foods that are significant in the shows discussed.

The Great Parade

Broadway's Astonishing, Never-to-Be-Forgotten 1963-1964 Season *Macmillan*

It was the Broadway season when Barbra Streisand demanded "Don't Rain on My Parade" and Carol Channing heard the waiters at the Harmonia Gardens say "Hello, Dolly!". From June 1, 1963 through the final day of May 31, 1964, theatergoers were offered 68 different productions: 24 new plays, 15 new comedies, 14 new musicals, 5 revivals of plays, 3 revues, 3 plays in Yiddish, 2 in French, 1 double-bill and even 1 puppet show. Peter Filichia's The Great Parade will look at what a Broadway season looked like a half-century ago analyzing the hits, the flops, the trends, the surprises, the disappointments, the stars and even how the assassination of JFK and the arrival of the Beatles affected Broadway. The Great Parade is a chronicle of a Broadway season unprecedented in the star power onstage: Barbara Streisand, Carol Channing, Claudette Colbert. Colleen Dewhurst, Hal Holbrook, Mary Martin, Christopher Plummer, Robert Preston, Julie Harris, Jason Robards, Jr., Carol Burnett, Tallulah Bankhead, Alec Guinness, Kirk Douglas, Albert Finney, Paul Newman, Joanne

Woodward, Richard Burton, Mary Martin, Beatrice Lillie, Hermione Gingold, Robert Redford and many more. Neil Simon and Stephen Sondheim burst on to the Broadway stage with Barefoot in the Park and Anyone Can Whistle. The '63-'64 season was one of Broadway's greatest and in The Great Parade, Peter Filichia gives us another classic.

The Secret Life of the American Musical

How Broadway Shows Are Built *Sarah Crichton Books*

A New York Times Bestseller For almost a century, Americans have been losing their hearts and losing their minds in an insatiable love affair with the American musical. It often begins in childhood in a darkened theater, grows into something more serious for high school actors, and reaches its passionate zenith when it comes time for love, marriage, and children, who will start the cycle all over again. Americans love musicals. Americans invented musicals. Americans perfected musicals. But what, exactly, is a musical? In The Secret Life of the American Musical, Jack Viertel takes them apart, puts them back together, sings their praises, marvels at their unflagging inventiveness, and occasionally despairs over their more embarrassing shortcomings. In the process, he invites us to

fall in love all over again by showing us how musicals happen, what makes them work, how they captivate audiences, and how one landmark show leads to the next—by design or by accident, by emulation or by rebellion—from Oklahoma! to Hamilton and onward. Structured like a musical, *The Secret Life of the American Musical* begins with an overture and concludes with a curtain call, with stops in between for “I Want” songs, “conditional” love songs, production numbers, star turns, and finales. The ultimate insider, Viertel has spent three decades on Broadway, working on dozens of shows old and new as a conceiver, producer, dramaturg, and general creative force; he has his own unique way of looking at the process and at the people who collaborate to make musicals a reality. He shows us patterns in the architecture of classic shows and charts the inevitable evolution that has taken place in musical theater as America itself has evolved socially and politically. *The Secret Life of the American Musical* makes you feel as though you’ve been there in the rehearsal room, in the front row of the theater, and in the working offices of theater owners and producers as they pursue their own love affair with that rare and elusive beast—the Broadway hit.

Broadway and Economics

Economic Lessons from Show Tunes *Routledge*

Economics has often been described as "the dismal science," with TV and movies reinforcing this description. However, economics is a powerful tool that can be used to understand how the world works, helping to answer confusing puzzles and solve the world’s problems. Surprisingly, Broadway musicals are an excellent way to show this. Musicals tell engaging stories through song and many are rich with economic concepts. This book analyzes 161 songs from 90 musicals to explore what they can teach us about supply and demand, monetary policy and numerous other core economic concepts. While some songs have an obvious connection to economics, other connections may seem less apparent. When you hear "Let it Go" from *Frozen*, does your mind think about a firm’s production decisions? After reading this book, it will. Whether showing how *Hamilton* can illustrate concepts of central banking, or how "Stars" from *Les Misérables* provides a perfect example of inelastic demand, the author presents complicated topics in an understandable and entertaining way. Featuring classic songs from some of the most popular shows ever produced, along with some hidden gems, *Broadway and Economics* will be of interest to anybody studying an introductory economics course as well as theatre aficionados.

Ballroom *Samuel French, Inc.*

The delightfully humane and moving Broadway production was developed by Tony Award-winning director Michael Bennett co-creator of *A Chorus Line*. Based on the CBS television movie *The Queen of the Stardust Ballroom* which starred Maureen Stapleton as aging widow Bea Asher who, having lost her beloved Morrie, begins life anew at the Stardust Ballroom, an old school Brooklyn dance palace. There she meets middle-aged mailman Al and falls in love again. He’s married. Bea’s children and friends advise her against starting up a romance with a married man who refuses to leave his wife but Bea, having found a new life and love decides that 'fifty percent' of someone you love is better than 'all of anybody else'.

Production Design

Visual Design for Film and Television *Routledge*

Production Design: Visual Design for Film and Television is a hands-on guide to the craft of Production Design and Art Direction. Author Peg McClellan gives an insider’s view of the experiences and challenges of working as a Production Designer in film and television. The book covers three major areas, starting with an overview and the basics of job responsibilities, the artistic approach and the background which every Production Designer needs to be familiar with, and progressing to the mechanics of the role with a day-to-day breakdown of the job itself. McClellan takes you through script analysis, team collaborations, the hierarchy of a production, hiring a team, the business elements, locations, studio facilities, handling change, and everything in between. With case studies, insights from successful Production Designers, and inspiration in the form of over 200 colour photos and illustrations from storyboards to sets, this is the ideal book for students seeking a career in production design, and professionals looking to further their design knowledge.

Changed for Good

A Feminist History of the Broadway Musical *Oxford University Press*

From Adelaide in "Guys and Dolls" to Nina in "In the Heights" and Elphaba in "Wicked," female characters in Broadway musicals have belted and crooned their way into the American psyche. In this lively book, Stacy Wolf illuminates the women of American musical theatre--performers, creators, and characters--from the start of the Cold War to the present day, creating a new, feminist history of the genre. The musicals discussed here are among the most beloved in the canon--"West Side Story," "Cabaret," "A Chorus Line," "Phantom of the Opera," and many others--with special emphasis on the blockbuster "Wicked." Along the way, Wolf demonstrates how the musical since the mid-1940s has actually been dominated by women--women onstage, women in the wings, and women offstage as spectators and fans.

The Great White Way

Race and the Broadway Musical *Rutgers University Press*

Broadway musicals are one of America’s most beloved art forms and play to millions of people each year. But what do these shows, which are often thought to be just frothy entertainment, really have to say about our country and who we are as a nation? The Great White Way is the first book to reveal the racial politics, content, and subtexts that have haunted musicals for almost one hundred years from Show Boat (1927) to The Scottsboro Boys (2011). Musical mirror their time periods and reflect the political and social issues of their day. Warren Hoffman investigates the thematic content of the Broadway musical and considers how musicals work on a structural level, allowing them to simultaneously present and hide their racial agendas in plain view of their audiences. While the musical is informed by the cultural contributions of African Americans and Jewish immigrants, Hoffman argues that ultimately the history of the American musical is the history of white identity in the United States. Presented chronologically, The Great White Way shows how perceptions of race altered over time and how musicals dealt with those changes. Hoffman focuses first on shows leading up to and comprising the Golden Age of Broadway (1927–1960s), then turns his attention to the revivals and nostalgic vehicles that defined the final quarter of the twentieth century. He offers entirely new and surprising takes on shows from the American musical canon—Show Boat (1927), Oklahoma! (1943), Annie Get Your Gun (1946), The Music Man (1957), West Side Story (1957), A Chorus Line (1975), and 42nd Street (1980), among others. New archival research on the creators who produced and wrote these shows, including Leonard Bernstein, Jerome Robbins, Stephen Sondheim, and Edward Kleban, will have theater fans and scholars rethinking forever how they view this popular American entertainment.
