I can't understand why finance books need a new edition every 3 years. The instructor agreed that the best answer is money for authors. If your school requires the 8th or 9th edition of this book, you can save money by getting this 7th edition. If you already has undergrad degree and now wants to study finance, this book is very rudimentary.

Foundations of Finance retains its foundational approach to the key concepts of finance, bolstered by real-world vignettes, cases, and problem exercises. Utilizing five principles, which

are presented at the beginning of the book and applied throughout, the authors introduce a multi-step approach to financial problem solving that appeals to students' (at all levels) math and numerical skills.
