"Queer" theology, taking cues from queer theory, transgresses dominant constructions of sexuality and gender identity. Theologically, then, it interprets and constructs expressions of Christian thought and practice that rethinks and subverts understandings of human life, community, and the divine.

Syllabus for IST2098-1-WI15 - Queer Theologies

Queer theology is a theological method that has developed out of the philosophical approach of queer theory, built upon scholars such as Michel

Foucault, Gayle Rubin, Eve Kosofsky Sedgwick, and Judith Butler. Queer theology begins with an assumption that gender non-conformity and gay, lesbian and bisexual desire have always been present in human history, including the Bible. It was at one time separated into two separate theologies; gay theology and lesbian theology. Later, the two would merge t
