The Naked Surgeon The Power

The Naked Surgeon: the power and peril of transparency in
 medicine Paperback - 4 Jun. 2015 by Samer Nashef FRCS
 (Author) 4.4 out of 5 stars 66 ratings See all formats and editions

The Naked Surgeon: the power and peril of transparency in ...

In The Naked Surgeon, Nashef unclothes his own profession,
 offering an unprecedented and often controversial view inside the
 operating theatre. He explains how surgeons can game the
 system to make their results appear better; why the way a
 surgeon ties the knot in a single stitch could make a life-or-death
 difference; and why patients operated on the day before a
 surgeon goes on holiday are twice as likely to die than those
 operated on during that surgeon's first day back.

The Naked Surgeon: the power and peril of transparency in ...

In The Naked Surgeon, he unclothes his own profession to
 demonstrate to his reader (and prospective patient) many
 revelations, such as the paradox at the heart of the cardiac
 surgeon's craft: the more an operation is likely to kill you, the
 better it is for you. And he does so with absolute clarity, fluency
 and not a little wit.
