The System Management Homepage provides a consolidated view for single server management highlighting tightly

integrated management functionalities including performance, fault, security, diagnostic, configuration, and software change management.

Drivers & Software - HPE Support Center.

Select Product Type as "Network Management / Security Software" Select Product Series as "HP PCM Plus Network Management Software Series" Select Product Name as whatever version you want to try. Since it's a trial license I'd recommend going for it with the "J9177A - HP PCM+ v3 Software with Unlimited Device License", as you can attach any license to it (e.g. 50 device license) after the trial period is up and it will just limit its scope to the licensed number of devices at that time.

HP ProCurve Manager PCM**Download - Hewlett Packard ...**

HP Procurve Manager didn't cost money before, and I would love to install it on my 2008R2 server. PCM "could" cost money if you added bits that were outside of the original product (e.g. PCM was limited to 50 devices IIRC).
