10 Best Reloading Manual Reviews | SafetyWinner

I am a big proponent of Speer bullets, I load them religiously for my .357 mag, .223 rem, .243 win, .250-3000, .30-30 win, .30-06, .358 win and .45-70. This manual has many different load/bullet choices for each caliber. The only drawback is that it is slightly outdated and doesn't have info for newer calibers and powders. Bottom line, if you load Speer bullets you should have this manual.
