And, that disparities in the incidence and prevalence of disease are closely linked to disparities in income and social support.

Against Health: How Health Became the New Morality ...

In this volume, Jonathan Metzl and Anna Kirkland have collected fifteen essays under the provocative title *Against Health: How Health Became a New Morality*. The title 'against health' is a little misleading; the contributors are really not so much against health (as a condition) but rather against the way health is used in society. As stated in the subtitle, they are against or at least sceptical about how health has become a new morality.

Against Health: How Health Became a New Morality - Conrad ...

Against Health instead claims that individual strivings for health are,

in some instances, rendered more difficult by the ways in which health is culturally configured and socially sustained. The book intervenes into current political debates about health in two ways. First, *Against Health* compellingly unpacks the divergent cultural meanings of health and explores the ideologies involved in its construction.
