Case in Point *Ingram*

Case in Point

Case in Point *Createspace Independent Publishing Platform*

The use of complex graphs in case interviews has exploded. You have a very short time to look at the graph, analyze it, extract what's important and apply it to your answer. This book was designed to help you understand the role of graphs in consulting (both during an interview and on the job). The authors introduce the Ivy Graph Framework, which will allow you to analyze 11 of the

most popular graphs quickly, completely, and with great confidence. In addition the book provides ten sophisticated cases with numerous graphs per case and allows you to see how these cases unfold. There is nothing else out there like it!

Case Interview Secrets

Cheng, a former McKinsey management consultant, reveals his proven, insider's method for acing the case interview.

Case in Point

Why are business case competitions important? They teach future leaders how to translate classroom knowledge into positive results. Analyzing a situation, diagnosing a problem,

formulating and presenting a recommendation, and gaining approval from executive leadership is one of the best processes you can learn in business school to ensure success. You are not only codifying textbook learning, you are also learning to incorporate it with teamwork, interpersonal communication, and influence. Experts Jason Rife, Kara Kravetz Cupoli, and Marc Cosentino share insight and tips in this must-have guide.

Hacking the Case Interview *Createspace Independent Publishing Platform*

To land a management consulting job at any of the top firms, including McKinsey, Bain, BCG, Deloitte, Oliver Wyman, and Accenture, you must get through several

rounds of case interviews. Whether your interview is in a few weeks or even tomorrow, this book is written to get you the maximum amount of knowledge in the least amount of time. Think of this book as taking the express lane towards beginning to master consulting case interviews. I cut out all of the filler material that some other consulting books have, and tell you everything that you need to know in a clear and direct way. With this shortcut guide, you will: Understand and become proficient at the nine different parts of a case interview, and know exactly what to say and do in each step Learn the only framework strategy that you need to memorize to craft unique and tailored frameworks for every possible case scenario Gain knowledge of basic business terms and

principles so that you can develop an astute business intuition Acquire the skills to solve any market sizing or other quantitative problem Uncover how to differentiate yourself from the thousands of other candidates who are fighting to get the same job you are Practice your case interview skills with included practice cases and sample answers

Crack the Case System *Turtle Hare Media*

Crack the Case System is a complete training program, covering every aspect of the infamous "case interview" favored by top management consulting firms and a growing number of Fortune 500 companies. David Ohrvall's step-by-step approach combines practical instruction on structuring, analytics and

communication, as well as insider tips and insights gained from training thousands of candidates. CTCS includes over 150 bonus videos on mbacase.com, 42 practice cases, homework and drills. About the author: David Ohrvall is the global expert on the topic of case interviews. A dynamic and sought-after speaker, he trains several thousand MBAs and undergraduates each year at premiere business schools around the world, including Wharton, Stanford, Harvard Business School, Chicago Booth, Duke's Fuqua School of Business, INSEAD, Oxford and Cambridge. David also has an extensive private coaching practice that has helped launch hundreds of candidates into consulting, venture capital, and a variety of industries. David is a former

management consultant (Bain & Company), and a graduate of the Wharton School (MBA & undergrad). Learn more about David at www.mbacase.com.

Case in Point: Government and Nonprofit: Case Interview and Strategic Preparation for Consulting Interviews in the Public Sector

Case interviews come in all formats. The key, as an interviewee, is being prepared. Know what the interviewer is looking for, know the industry/sector, the jargon, the constraints and stakeholders, and how people in the industry operate. Government and nonprofit cases span a wide variety of problems, issues, stakeholders, and politics, which makes them trickier than private sector case

interviews.

Case in Point

Vault Guide to the Case Interview

Vault Reports Incorporated

Professional career guide from the Vault Career Library providing detailed case-by-case explanations of the consulting interview and strategies for cracking it.

Case in Point

The Complete Q&A Job Interview Book *John Wiley & Sons*

"The ultimate job interview book! A systematic, foolproof way to generate offers. No job seeker should be without it." -National Job Market "The programmed system works because it is

a simple, practical, proven way to interview properly. Use it to win the interview and win the job!" -Mary Lyon, Associated Press "Allen's 'Q&A' interview approach eliminates the fear of the unknown, replaces it with the confidence of knowing what to expect, and trains the applicant to get job offers." -Kimberly A. Hellyar, Director, Training Consultants International What is a job interview anyway? Is it an objective examination of your experience, skills, and work ethic? Not quite. It's a screentest. You're the actor. In this bestselling guide, Jeff Allen, the world's leading authority on the interview process, shows you how getting hired depends almost completely on the "actor factor." If you know your lines, perfect your delivery, and dress for the

part, you'll get hired. If you don't, you won't. In *The Complete Q&A Job Interview Book*, Jeff develops your own personalized interview script to prepare you in advance for any question that comes your way. Covering questions on everything from personal background to management ability and technological know-how, he gives you a fail-safe delivery format for responding the right way every time. This new edition has been updated to guide you through today's changing job market, and includes an entirely new chapter on dealing with the latest open-ended interrogation questions. If getting a job is playing a part, this is your starring role. Follow the director, and you'll be a superstar!

Case in Point

In *Case in Point: Crafting Your Consulting Career*, Piekara distills information garnered over his years in the industry by sharing anecdotes, his own experiences, insights gained through hundred of informational interviews, and wisdom from nearly 20 consultants who have had to navigate countless critical decisions throughout their careers. This digestible, reader-friendly guide provides timeless lessons for consultants, no matter their career stage.

The Ultimate Case Interview Workbook

In *"The Ultimate Case Interview Workbook"*, you'll sharpen your case interview skills to dominate your upcoming interview and land your dream

consulting job. Taylor Warfield, a former Bain management consultant and interviewer, provides essential practice problems and challenging cases to develop the skills needed to get multiple job offers. Use this workbook to access: 65+ problems tailored towards each type of question in case interviews Feel confident across a range of interview questions including framework questions, market sizing problems, profitability assessments, breakeven analysis, charts & graphs analysis, brainstorming questions, and other qualitative questions 15 full-length cases based on McKinsey, BCG, and Bain interviews Build business acumen across a variety of industries (e.g., technology, retail, healthcare, energy, finance, non-profit) and functions (e.g., strategy,

operations) Efficient practice that can be done individually or with a partner Save yourself time by working through carefully crafted practice problems and cases that teach you a new concept, strategy, or takeaway each time Warfield's former students include undergraduates, MBAs, advanced degree holders, and experienced hires. They have landed job offers at top consulting firms, including McKinsey, BCG, Bain, Deloitte, L.E.K., Oliver Wyman, and Accenture as well as at Fortune 500 strategy groups. "I felt really confident after my McKinsey interview - this book's cases prepared me perfectly! They were very similar to the ones I received in my first and final round interviews." - McKinsey Consultant, Wharton MBA Candidate "I had very little time before

my next BCG interview. This book provided me with plenty of practice that I could do by myself. After working through these cases, I felt excited going into my interviews." -BCG Associate, Experienced Hire "These cases were much higher quality than those found in other case books. The explanations were detailed and thorough and I got to practice thinking like a true consultant." -Bain Consultant, Stanford Undergraduate Also visit HackingTheCaseInterview.com for a one-week online crash course to pass your upcoming interview.

Plumb's Veterinary Drug Handbook

John Wiley & Sons

Plumb's Veterinary Drug Handbook, Ninth Edition updates the most

complete, detailed, and trusted source of drug information relevant to veterinary medicine. The Case Interview Workbook: 60 Case Questions for Management Consulting with Solutions

Independently Published

The Case Interview Workbook contains

60 case questions for management consulting interviews, with complete solutions. Every case is compiled and edited by a team of ex-consultants from McKinsey & Company, the Boston Consulting Group, and Bain & Company. This book fills the gap left by others by providing you with plenty of high-quality cases to practice on before your interview. Many cases are from actual interviews at the top-tier firms and cannot be found elsewhere. After working through this book, you will be prepared for every type of case question you may encounter: market sizing, estimation, operations, industry analysis, pricing, growth strategy, marketing, investment, M&A, market entry, customer segmentation, profitability, valuation, logic, issue identification, cost

analysis, market expansion, and brainteasers, to name a few. These cases will help you prepare for interviews at leading management consulting firms, including McKinsey & Company, The Boston Consulting Group, Bain & Company, Oliver Wyman, Strategy& (formerly Booz & Company), A.T. Kearney, Roland Berger, and L.E.K, as well as for consulting roles at large firms such as Accenture, Deloitte, PwC, EY, and KPMG. Note that is a workbook, designed to complement other preparation books. You will have a hard time solving these cases without learning first elsewhere how to do so, e.g. which frameworks to use, how to use them, and how to structure a solution.

The Harvard College Guide to Consulting

How Reading Changed My Life

Ballantine Books

THE LIBRARY OF CONTEMPORARY THOUGHT is a groundbreaking series where America's finest writers and most brilliant minds tackle today's most provocative, fascinating, and relevant issues. Striking and daring, creative and important, these original voices on matters political, social, economic, and cultural, will enlighten, comfort, entertain, enrage, and ignite healthy debate across the country.

The Pyramid Principle *Pearson Education*

"Do you need to produce clear reports,

papers, analyses, presentations and memos? If so, you need The Pyramid Principle. Communicating your ideas concisely and articulately to clients, colleagues or to the management board is a key factor in determining your personal business success. To gain the maximum effect you need to make maximum impact with your ideas upfront." "Applying the Pyramid Principle means you will save valuable time in writing and waste no time in getting your message across to your audience, making sure they grasp your meaning at once."--BOOK JACKET.

Crack the Case

The Case against Education *Princeton University Press*

Why we need to stop wasting public funds on education Despite being immensely popular—and immensely lucrative—education is grossly overrated. Now with a new afterword by Bryan Caplan, this explosive book argues that the primary function of education is not to enhance students' skills but to signal the qualities of a good employee. Learn why students hunt for easy As only to forget most of what they learn after the final exam, why decades of growing access to education have not resulted in better jobs for average workers, how employers reward workers for costly schooling they rarely ever use, and why cutting education spending is the best remedy. Romantic notions about education being "good for the soul" must yield to careful research and

common sense—The Case against Education points the way.

Atomic Habits *Penguin*

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have

the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field.

Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Desperate *Simon and Schuster*

Erin Brockovich meets Dark Waters in this propulsive and heart-wrenching legal drama set in Appalachian coal

country, as one determined lawyer confronts a coal industry giant in a battle over clean drinking water for a West Virginia community--from Wall Street Journal reporter Kris Maher. For two decades, the water in the taps and wells of Mingo County didn't look, smell, or taste right. Could it be the root of the health problems--from kidney stones to cancer--in this Appalachian community? Environmental lawyer Kevin Thompson certainly thought so. For seven years, he waged an epic legal battle against Massey Energy, West Virginia's most powerful coal company, helmed by CEO Don Blankenship. While Massey's lawyers worked out of a gray glass office tower in Charleston known as "the Death Star," Thompson set up shop in a ramshackle hotel in the fading coal town

of Williamson. Working with fellow lawyers and a crew of young activists, Thompson would eventually uncover the ruthless shortcuts that put the community's drinking water at risk. A respected preacher and his brother, retired coal miners, and women whose families had lived in the area's coal camps for generations, all put their trust in Thompson when they had nowhere else to turn. As he dug deeper into the mystery of the water along a stretch of road where the violence from the legendary Hatfield-McCoy feud still echoes, he was pulled into the darkest corners of Mingo County, risking his finances, his marriage, his career, and even his safety. Bringing to life a rich cast of characters and the legacy of coal mining in an essential yet often

misunderstood part of America, *Desperate* is a masterful work of investigative reporting about greed and denial, a revealing portrait of a town besieged by hardship and heartbreak, and an inspiring account of one tenacious environmental lawyer's mission to expose the truth and demand justice.

Introduction to Sociology 2e

Introduction to Sociology 2e adheres to the scope and sequence of a typical, one-semester introductory sociology course. It offers comprehensive coverage of core concepts, foundational scholars, and emerging theories, which are supported by a wealth of engaging learning materials. The textbook presents detailed section reviews with

rich questions, discussions that help students apply their knowledge, and features that draw learners into the discipline in meaningful ways. The second edition retains the book's conceptual organization, aligning to most courses, and has been significantly updated to reflect the latest research and provide examples most relevant to today's students. In order to help instructors transition to the revised version, the 2e changes are described within the preface. The images in this textbook are grayscale. Authors include: Heather Griffiths, Nathan Keirns, Eric Strayer, Susan Cody-Rydzewski, Gail Scaramuzzo, Tommy Sadler, Sally Vyain, Jeff Bry, Faye Jones

Cold-Case Christianity *David C Cook*

Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “cold case”: it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that

speaks to readers’ intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

The Markdown Guide

The Markdown markup language is one of the most popular plain-text formatting languages available. Now you can learn the Markdown syntax with the book that's been called "the best Markdown reference." Designed for both novices and experts, *The Markdown Guide* is a comprehensive reference manual that has everything you need to get started and master the Markdown syntax.

A Naked Singularity *University of Chicago Press*

A Naked Singularity tells the story of Casi, a child of Colombian immigrants who lives in Brooklyn and works in Manhattan as a public defender--one who, tellingly has never lost a trial. Never. In the book, we watch what happens when his sense of justice and even his sense of self begin to crack--and how his world then slowly devolves. It's a huge, ambitious novel clearly in the vein of DeLillo, Foster Wallace, Pynchon, and even Melville, and it's told in a distinct, frequently hilarious voice, with a striking human empathy at its center. Its panoramic reach takes readers through crime and courts, immigrant families and urban blight, media savagery and media satire, scatology and boxing, and even a breathless heist worthy of any crime novel. If Infinitejest stuck a pin in the

map of mid-90s culture and drew our trajectory from there, A Naked Singularity does the same for the feeling of surfeit, brokenness, and exhaustion that permeates our civic and cultural life today. In the opening sentence of William Gaddis's *A Frolic of His Own*, a character sneers, "Justice? You get justice in the next world. In this world, you get the law." A Naked Singularity reveals the extent of that gap, and lands firmly on the side of those who are forever getting the law.

52 Funeral Sermons *Createspace Independent Pub*

For most of us, one of the most rewarding, yet difficult tasks, is preparing messages to preach and teach. We are honored by God to stand

before our congregation each week, and we want to give them the very best, but with the press of the many demands of ministry, sometimes that is difficult to do. And if you're like me, you prefer writing your own sermons because you have a special connection with your congregation that is hard to reach through a message someone else has written. In other words, no one knows your people like you do! Our new Pulpit Outline Series gives you a starting point - a sermon title, a deductive sermon outline; and a relevant illustration you can use however you like. In this edition, rather than an outline, we have given you full manuscript messages that can be edited to suit your purposes. We invite you to make these messages your own, because only you know the people

God has called you to preach to. And we are so honored that you've invested in this unique third volume in the Pulpit Outline series - 52 Funeral Sermons. We have put together the most tasteful, relevant, and Biblical messages possible. May God Bless You as You Share His Word!

How to Talk so CEOs listen *Lulu Press, Inc*

Learn how to speak with confidence when addressing CEOs and General Managers. The book puts you inside the CEOs head so you know how they think and how they get influenced.

Ecology of Fear *Verso Books*

A witty and engrossing look at Los Angeles' urban ecology and the city's

place in America's cultural fantasies Earthquakes. Wildfires. Floods. Drought. Tornadoes. Snakes in the sea, mountain lions, and a plague of bees. In this controversial tour de force of scholarship, unsparing vision, and inspired writing, Mike Davis, the author of *City of Quartz*, revisits Los Angeles as a Book of the Apocalypse theme park. By brilliantly juxtaposing L.A.'s fragile natural ecology with its disastrous environmental and social history, he compellingly shows a city deliberately put in harm's way by land developers, builders, and politicians, even as the incalculable toll of inevitable future catastrophe continues to accumulate. Counterpointing L.A.'s central role in America's fantasy life--the city has been destroyed no less than 138 times in

novels and films since 1909--with its wanton denial of its own real history, Davis creates a revelatory kaleidoscope of American fact, imagery, and sensibility. Drawing upon a vast array of sources, *Ecology of Fear* meticulously captures the nation's violent malaise and desperate social unease at the millennial end of "the American century." With savagely entertaining wit and compassionate rage, this book conducts a devastating reconnaissance of our all-too-likely urban future.

Twelve Steps and Twelve Traditions
Trade Edition *Alcoholics Anonymous*
World Services

Twelve Steps to recovery.

Creepy Pair of Underwear! *Simon and*

Schuster

From the celebrated team behind *Creepy Carrots!*, Aaron Reynolds and Caldecott Honor winner Peter Brown, comes a hilarious (and just a little creepy) story of a brave rabbit and a very weird pair of underwear. Jasper Rabbit is NOT a little bunny anymore. He's not afraid of the dark, and he's definitely not afraid of something as silly as underwear. But when the lights go out, suddenly his new big rabbit underwear glows in the dark. A ghoulish, greenish glow. If Jasper didn't know any better he'd say his undies were a little, well, creepy. Jasper's not scared obviously, he's just done with creepy underwear. But after trying everything to get rid of them, they keep coming back!

The McKinsey Way *McGraw Hill Professional*

"If more business books were as useful, concise, and just plain fun to read as *THE MCKINSEY WAY*, the business world would be a better place." --Julie Bick, best-selling author of *ALL I REALLY NEED TO KNOW IN BUSINESS I LEARNED AT MICROSOFT*. "Enlivened by witty anecdotes, *THE MCKINSEY WAY* contains valuable lessons on widely diverse topics such as marketing, interviewing, team-building, and brainstorming." --Paul H. Zipkin, Vice-Dean, The Fuqua School of Business It's been called "a breeding ground for gurus." McKinsey & Company is the gold-standard consulting firm whose alumni include titans such as "In Search of Excellence" author Tom Peters, Harvey Golub of American

Express, and Japan's Kenichi Ohmae. When Fortune 100 corporations are stymied, it's the "McKinsey-ites" whom they call for help. In *THE MCKINSEY WAY*, former McKinsey associate Ethan Rasiel lifts the veil to show you how the secretive McKinsey works its magic, and helps you emulate the firm's well-honed practices in problem solving, communication, and management. He shows you how McKinsey-ites think about business problems and how they work at solving them, explaining the way McKinsey approaches every aspect of a task: How McKinsey recruits and molds its elite consultants; How to "sell without selling"; How to use facts, not fear them; Techniques to jump-start research and make brainstorming more productive; How to build and keep a team at the top

its game; Powerful presentation methods, including the famous waterfall chart, rarely seen outside McKinsey; How to get ultimate "buy-in" to your findings; Survival tips for working in high-pressure organizations. Both a behind-the-scenes look at one of the most admired and secretive companies in the business world and a toolkit of problem-solving techniques without peer, *THE MCKINSEY WAY* is fascinating reading that empowers every business decision maker to become a better strategic player in any organization.

Embrace the Case Interview *CreateSpace*

Embrace the Case Interview walks you through each step on the path to your dream consulting job as described by a

former management consultant who conducted over 100 interviews for a top-tier firm. First, we cover how to get the interview including how to be memorable when speaking with firms prior to the interview and how to write a killer resume and cover letter. Second, we cover the behavioral part of the interview. Often overlooked, the behavioral part of the interview covers your personal experiences and is often just as valuable as the case interview. We discuss the traits interviewers are looking for and how to answer their questions in a structured way. Third, we take an in-depth look at the case interview itself. Unlike books that focus on segmenting cases and applying frameworks, you will learn a single, flexible structure that you will apply to

any case with deadly effectiveness. In addition to structuring the case, you will learn approaches for the cases' other parts including qualitative questions, quantitative problems, exhibit analysis, and synthesis. Embrace the Case Interview places a strong emphasis on the quality of your learning rather than just doing hundreds of cases. As such, each example case contains an in-depth discussion of the text book answer to help you improve. For more information, please visit embracethecaseinterview.com. Enjoy the book and best of luck in your upcoming interviews!

Cracking the PM Interview

How many pizzas are delivered in Manhattan? How do you design an alarm

clock for the blind? What is your favorite piece of software and why? How would you launch a video rental service in India? This book will teach you how to answer these questions and more. *Cracking the PM Interview* is a comprehensive book about landing a product management role in a startup or bigger tech company. Learn how the ambiguously-named "PM" (product manager / program manager) role varies across companies, what experience you need, how to make your existing experience translate, what a great PM resume and cover letter look like, and finally, how to master the interview: estimation questions, behavioral questions, case questions, product questions, technical questions, and the super important "pitch."

MLA Style Manual and Guide to Scholarly Publishing *Modern Language Assn of Amer*

Provides information on stylistic aspects of research papers, theses, and dissertations, including sections on writing fundamentals, MLA documentation style, and copyright law

The Boston Consulting Group on Strategy *John Wiley & Sons*

A collection of the best thinking from one of the most innovative management consulting firms in the world For more than forty years, The Boston Consulting Group has been shaping strategic thinking in business. The Boston Consulting Group on Strategy offers a broad and up-to-date selection of the firm's best ideas on strategy with fresh

ideas, insights, and practical lessons for managers, executives, and entrepreneurs in every industry. Here's a sampling of the provocative thinking you'll find inside: "You have to be the scientist of your own life and be astonished four times: at what is, what always has been, what once was, and what could be." "The majority of products in most companies are cash traps . . . [They] are not only worthless, but a perpetual drain on corporate resources." "Use more debt than your competition or get out of the business." "When information flows freely, reputation, more than reciprocity, becomes the basis for trust." "As a strategic weapon, time is the equivalent of money, productivity, quality, even

innovation." "When brands become business systems, brand management becomes far too important to leave to the marketing department." "The winning organization of the future will look more like a collection of jazz ensembles than a symphony orchestra." "Most of our organizations today derive from a model whose original purpose was to control creativity." "Rather than being an obstacle, uncertainty is the very engine of transformation in a business, a continuous source of new opportunities." "IP assets lack clear property lines. Every bit of intellectual property you can own comes with connections to other valuable innovations."

Complete Criminal Law *Oxford University Press*

'Complete Criminal Law' provides a student-centred, straightforward approach to the criminal law LLB/CPE syllabus. It involves the student in an active approach to learning through the use of many learning features.

Into the Wild *Anchor*

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do

family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander

Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions,

and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

The Lottery *The Creative Company*

A seemingly ordinary village participates in a yearly lottery to determine a sacrificial victim.
