Stan Lee's How to Draw Comics

From the Legendary Creator of Spider-Man, The Incredible Hulk, Fantastic Four, X -Men, and Iron Man *Watson-Guptill*

In Stan Lee's How to Draw Comics, Stan Lee reveals his secrets for: * Costumes * Penciling, Inking & Coloring * Lettering & Word Balloons * Digital Advances * Perspective & Foreshortening * What Makes Great Action * Page & Panel Layout * Covers * Creating a Portfolio * Getting Work When it comes to comic books, one name says it all: Stan Lee. His characters are classics. His industry knowledge is vast. His creativity is boundless. And now, he's sharing what he knows with you, Grasshopper! His cohorts have always been—and still are—some of the best in the business: Jack Kirby, John Romita, Sr., Neal Adams, Gil Kane, Mike Deodato, Jr., Frank Cho, and Jonathan Lau, and many others, Stan includes their work here and discusses what exactly makes it so great. He touches on all the important stuff: anatomy, foreshortening, perspective, action, penciling, inking, hand lettering vs. digital lettering, color, character and costume design, panel flow, materials and tools, computers, file formats, and software. He includes an overview of the history and development of the comic book industry, and there's an extensive section on various types of covers—the super important element that makes the reader want to pick up that comic! In a world where good battles evil at every turn and the hero fights valiantly to get the girl, no stone is left unturned! Here you'll also find info on all the small details—that really aren't so small: word balloons, thought balloons, whisper balloons, bursts, sound effect lettering, and splash pages! And KA-BLAMMM! . . . once you've created your art, then what? Lest you think Stan would turn you out into the wilderness without a road map, fellow traveler, there's also information on preparing and submitting your portfolio, on getting work, and on suggested reading and schools. Stan Lee's How to Draw Comics features a cover that reunites long time collaborator John Romita Sr. and original cover artist of How to Draw Comics the Marvel Way. John Romita Sr. was most famous for his collaboration on The Amazing Spider-Man with Stan Lee! It's time for a new approach . . . "a cornucopia of cutting-edge, techno-savvy instructions to lead you down the freshly laid yellow brick road of creativity." It's time for a book that takes you on the new journey of creating comic books for the 21st century and beyond! Excelsior!

How to draw superheroes From Cat Woman To Hulk Grimacing for the superhero is not extremely troublesome the length of you taking after the essential guidelines. All the more regularly, it is somewhat distinctive to make faces for superheroes from that of the basic individuals. For the superhero confronts, you ought to make them to be more grounded so they will demonstrate the solid will and certainty of these heroes. Careful discipline brings about promising results. In the event that you need to improve confronts, you ought to accomplish more practice. You may begin doing with the accompanying aides. Firstly, you ought to make a sketch for the superhero. You may make an oval shape as the fundamental sketch of the head. When you draw it, you ought to make the upper part more expansive and the lower part smaller. All the more regularly, this shape can be utilized for both female and male superhero face. What's more, the main distinction is that the jaw piece of the male face is more squared. Also, you may begin draw the parts with the aid of the lines. You ought to make some light lines on the head to gap it into four squares. With the aid of these

lines, you will have the capacity to make the imperative parts be made in the correct spots. At that point, you may draw two lines with one upward and the other descending to make the fundamental state of the eyes. After that, make a circle between these two lines to make eyes. You may draw some shade to make eyebrows. At that point, you may make the nose, ears and mouth with the rules. On the other hand you may take out the photo and make it as the photo shows. To wrap things up, you may need to right and attempt to make it look great. When you wrap up the essential parts of the head, you may make full utilization of the shading to include measurement. For instance, you may make some shading on the sides of the nose to make it look all the more strikingly. All the more regularly, sharp calculated lines will make the face look more grounded. After that, you can utilize circles or lines to make the hair of the hero. When you complete these, you may delete the light lines and look at whether there is have to rectify.
