Deep Time

Deep time is a term introduced and applied by John McPhee to the concept of geologic time in his Basin and Range, parts of which originally appeared in the New Yorker magazine. The philosophical concept of geological time was developed in the 18th century by Scottish geologist James Hutton; his "system of the habitable Earth" was a deistic mechanism keeping the world eternally suitable for humans. The modern concept shows huge changes over the age of the Earth which has been determined to be, af
