Do Tall Guys Die Younger? - Men's Health

Here's another - the later you retire, the earlier you will die. A variation on this theme is the "fact" that, in some jobs, average life expectancy after retirement is just 18 months.

Do those who retire early live longer? - BBC News

The fact that tall people die younger appears to be an immutable physical reality. A short person is like a Honda Civic: compact and efficient. Tall people are Cadillac Escalades.
