conrad-johnson ET3 Tube Stereo Preamplifier Review

The conrad-johnson ET3 preamplifier is a remarkable preamp, but I had trepidation about the way it's being promoted. It's down to the 'baby GAT' thing - the ET3 is being touted as an affordable version of the company's GAT flagship pre. That, I feared, is setting the ET3 up for a fall; the GAT is so damn good, it's like calling someone the 'mini Mozart'. Trouble is, the ET3 ...

Conrad Johnson ET6SE. There has been something of a rationalisation in the conrad-johnson line-up

of late. While the brand has never been guilty of having a vast range of electronics, the current line-up of three preamps, three power amps, two phono stages, and an integrated amplifier must be one of the most streamlined the c-j brand has offered in years. However, far from paring back too far ...
