Literary Criticism and Theory: From Plato to ...

According to Plato, the world of Forms, being changeless and eternal, alone constitutes reality. It is the world of essences, unity, and universality, whereas the physical world is characterized by perpetual change and decay, mere existence (as opposed to essence), multiplicity and particularity. His View of Art.

Metrics. Book description. This book offers a history of literary criticism from Plato to the present, arguing that this history can best be seen as a dialogue among three traditions - the Platonic, Neoplatonic, and the humanistic, originated by Aristotle. There are many histories of literary criticism, but this is the first to clarify our understanding of the many seemingly incommensurable approaches employed over the centuries by reference to the three traditions.
