There's a strong
bittersweet flavour to
this story of a flawed,
emotionally bruised
pair of misfits: it's
moving, but never
sentimental or sugary
in tone. The fact that
Evans can make us
love these characters,
despite their concerted
efforts to make

themselves unlovable, is absolutely key to Crooked Heart's success.

I might have given Crooked Heart just three stars until Cristina Sumners, a clergy woman herself, has written a very readable murder mystery with a clergy woman protagonist. Episcopal priest Kathryn Koerney teams up with police chief Tom Holder when a woman disappears under suspicious circumstances in their small affluent New Jersey town.
