Technics SL 5300 SL 5310

The Technics SL 5300 is one of the top range turntable back in the 70s, which was sadly discontinued due to the emergence of technologies. It is a pity, given that the sound produced has this very warm feeling to it. The signature deep sound resonates well in most systems, and it has certainly attracted the attention of many.

Headshell Cartridge mount for Technics SL5300, SL5310 ...

I should get on looking for another turntable. I've had an Akai for the past 7 years or so (nothing special, just a

decent semi-auto TT that has the strobe light with fine tune style speed adjustment) and when I was pressed for room I had it on a tilt (had to put it on top of the amp and had nothing to lift it above the air holes in a way that was even) and think I messed up the platter.
