Advice for Teachers by Teachers *Sourcebooks, Inc.*

The Most Dog-Eared "Teacher's Edition" You'll Have in Your Classroom Teaching is tough. And teachers, like the rest of the population, aren't perfect. Yet good teaching happens, and great teachers

continue to inspire and educate generations of students. *See Me After Class* helps those great teachers of the future to survive the classroom long enough to become great. Fueled by hundreds of hilarious—and sometimes shocking—tales from the teachers who lived them, Elden provides tips and strategies that deal head-on with the challenges that aren't covered in new-teacher training. Lessons can go wrong. Parents may yell at you. Sunday evenings will sometimes be accompanied by the dreaded countdown to Monday morning. As a veteran teacher, Elden offers funny, practical, and honest advice, to help teachers walk through the doors of their classrooms day after day with clarity, confidence...and sanity! "A useful,

empathetic guide to weathering the first-year lumps...a frothy, satisfying Guinness for the teacher's soul."—Dan Brown, NBCT, Director of the Future Educators Association, and author of *The Great Expectations School* "See Me After Class is a must-have book for any teacher's bookshelf. On second thought, you'll probably want to keep it on your classroom desk since you'll use it so much!"—Larry Ferlazzo, teacher and author of *Helping Students Motivate Themselves* "This is the kind of no-nonsense straight talk that teachers are starved for, but too rarely get...Roxanna Elden tells it like it is, with a heavy dose of practicality, a dash of cynicism, a raft of constructive suggestions, and plenty of wry humor."—Rick Hess, Director of Education Policy Studies at AEI, author of

Adequate Yearly Progress

A Novel *Simon and Schuster*

A debut novel told with humor, intelligence, and heart, a "funny but insightful look at teachers in the workplace...reminiscent of the TV show *The Office* but set in an urban high school" (The Washington Post), perfect

for fans of Tom Perrotta and Laurie Gelman. Roxanna Elden's "laugh-out-loud funny satire" (Forbes) is a brilliantly entertaining and moving look at our education system. Each new school year brings familiar challenges to Brae Hill Valley, a struggling high school in one of the biggest cities in Texas. But the teachers also face plenty of personal challenges and this year, they may finally spill over into the classroom. English teacher Lena Wright, a spoken-word poet, can never seem to truly connect with her students. Hernan D. Hernandez is confident in front of his biology classes, but tongue-tied around the woman he most wants to impress. Down the hall, math teacher Maybelline Galang focuses on the numbers as she struggles to parent her daughter, while

Coach Ray hustles his troubled football team toward another winning season. Recording it all is idealistic second-year history teacher Kaytee Mahoney, whose anonymous blog gains new readers by the day as it drifts ever further from her in-class reality. And this year, a new superintendent is determined to leave his own mark on the school—even if that means shutting the whole place down.

You Had Me at Hockey *Loveswept*

Can a spirited, down-to-earth influencer get an uptight hockey player out of his shell? Josh I am a warrior. That's been my motto since I recovered from a near-death accident when I was younger. Now I enjoy my nice, settled life in Dallas playing pro hockey—a boring life is better than being dead. I'm not a party

guy or an adventurer; I like my routine and peace and quiet. So being traded to New York is the worst possible change that could happen. And meeting unfiltered and fascinating Sara Carrington throws my life into even more chaos. Sara I've been considered weird my whole life, which is why I'm still a virgin, but I've turned it into a career with my YouTube videos. Who knew people would love watching me talk about my zits, taste-test meatless burgers, and try to learn TikTok dances! Now I'm launching a podcast. Getting hockey star Josh Heller as a guest will help gain listeners for sure. I expect a bearded jock with no teeth and nothing to say, but I get a hot as H-E-double-hockey-sticks grouch with a surprisingly dirty mind. My mission to make him

laugh is successful, but I want to know why he's so uptight underneath that panty-dropping smile. Maybe I can teach Josh to have some fun . . . and maybe he can teach me a thing or two along the way. . . . Told with humor and heart, The Boy at the Back of the Class offers a child's perspective on the refugee crisis, highlighting the importance of friendship and kindness in a world that doesn't always make sense. There used to be an empty chair at the back of Mrs. Khan's classroom, but on the third Tuesday of

the school year a new kid fills it: nine-year-old Ahmet, a Syrian refugee. The whole class is curious about this new boy--he doesn't seem to smile, and he doesn't talk much. The inside story of the most-watched attempt to transform a troubled high school Stray Dogs, Saints, and Saviors tells the real-life story of Locke High School. Locke High--originally known for its excellence--became one of the toughest, most dysfunctional schools in

the nation. Then in 2007 teachers voted to bring in an upstart charter school organization called Green Dot to try and restore the Locke Saints' past glory. It was a brave and desperate move. Working in secrecy, the school principal, a small group of teachers, and Green Dot's charismatic founder, Steve Barr, convince Locke teachers to support a petition that will take the school away from the Los Angeles Unified School District. The "new" Locke opened in the fall of 2008. Offers an in-depth look at a school "turnaround" effort that garnered a blizzard of publicity Russo's blog This Week in Education was named by The Washington Post as one of its best education blogs of 2010 Tells the gritty truth about the tough work of true school reform Locke's transformation shows

that with hard work and sacrifice, broken schools can indeed be improved in meaningful ways. However, the process of school reform is one of the most vital, and least glamorous, projects that we can participate in.

The Locker Room

Have you heard the rumor around campus about the locker room? If you haven't, let me enlighten you: Legend has it if you bring a girl into the sacred after-game domain of the baseball locker room, it will end with a walk down the aisle. One rowdy and naked encounter against the lockers with the girl of your dreams will make her your wife. Translation: baseball players are stupidly superstitious and believe the locker room has magical powers. But not all

baseball players are superstitious, me included. So when the girl I've fallen for brushes me off, I start to question if I need to switch my way of thinking. Maybe it's time I finally hand out a coveted invitation to the locker room. The only question is, will she accept?

My assistant, bent on one knee, holding my hand, her expectant face waiting for an answer. Just . . . how? How did I go from being insulted by Charlee Cox to hiring her to be my assistant? How is it that she's chaos in color - making me crazy and my life better at the same time? I never thought I would be staring down at her bright blue eyes begging me to go along with this ridiculous scheme I suggested. Yes, I suggested. Like the

Unopened Books

Multiplying the 2% *Createspace Independent Publishing Platform*

The unfathomable rate of Black males in education should result in a national call to action. Across the country Black males represent only 2% of the teaching workforce. By the year 2024, minority students will be the majority, yet our current education workforce does not reflect this growing trend in what has been called "The Browning of America." Why is it acceptable that a student can matriculate from Kindergarten through twelfth grade and not have one Black male as his or her teacher? Why has it been a challenge to recruit and in many

instances retain Black males in the classroom? *Unopened Books* explains what is referenced in the book as the Five Black Male Deterrents in Education. Through the personal narrative of Jermaine D. Gassaway, a native Washingtonian, educator, and school leader; coupled with practical solutions, *Unopened Books* provides insight to multiply the 2%. It is intended to not only be a provocative conversation starter but an actionable approach to increase the number of Black men in the classroom.

As Ruben Wells kneels with a gun pointed at his head all he can do is

reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. Take Off Your Hat and Spit Out Your Gum

A Teacher's Memoir *Createspace Independent Pub*

From the moment she stepped into a classroom as a teacher, Melinda Ehrlich was destined to write this book. With her trusty notepad at her side, she documented her experiences - from her students' zany antics to the bureaucratic directives that were issued. Her journals, filled with stories and anecdotes, have shaped this extraordinary memoir, painting a vivid picture of her life as a New York City English teacher. Ehrlich's positive approach and fiery spirit enabled her to thrive within the largest public school system in America. You will meet the vocational high school girls who couldn't open their notebooks until their hair and nails dried, the wannabe mobster who greeted Ms. Ehrlich with

"Hi ya doll!" in the hallways, and the forger who insisted he and his mother shared identical signatures. But it wasn't all sunshine and daisies. She had her share of intense encounters with troubled students that tested the boundaries not only of education but of human perseverance and understanding. All of these and more make up the students she "couldn't erase." A lightning bolt of inspiration, *Take Off Your Hat and Spit Out Your Gum* is a must-read for the over three million teachers in the U.S. today. This is the remarkably entertaining story of a teacher who rode the rollercoaster for over 30 years and exited clicking her heels, still believing there's no place like school.

See Me After Class

Lessons from an Imperfect English Teacher

"This is a work of non-fiction chronicling my experience as a secondary public school English teacher, including my students, colleagues, administrators, and parents of students. My purpose is to write an entertaining memoir which also highlights some of the inadequacies of our educational system. In telling my story, I use a variety of narrative strategies including listing, a how-to guide, dramatic scene, second person, hyperbole, fantasy, flashback, and

satire, in addition to more traditional exposition. Major themes include frustration, disillusionment, adolescence, and interpersonal relationships, but generally with a humorous bent."-- Leaf iii.

Preventing Disruptive Behavior in Colleges

A Campus and Classroom Management Handbook for Higher Education *R&L Education*

Over 50 percent of KD12 teachers leave the profession in four years due to classroom discipline problems. Unfortunately, with pressure to pass these students on, with colleges' dire needs for admissions and financial pressures, and with the often rough culture of adolescence, higher education teachers/professors are now finding disruptive behaviors in their college classrooms. This book helps college instructors not just handle but also prevent these real-life disruptions in higher education so as to not lower learning standards. The best time to solve a problem is before it starts. The book addresses how to prevent/handle things like absence; binge drinking; weapons in the classroom; use of cell phones; cheating; constant questions; cursing; digressions; dress codes; drugs; student excuses; student fighting; freedom of speech; grading arguments; harassment; inappropriate demands; interruptions; lateness; learning disabilities; plagiarism; profanity; seating arrangements; threats; verbal abuse; etc. Seeman also provides ways to deal with students who leave class early;

challenge you; listen to iPods; accuse you of being unfair, racist, or sexist; monopolize discussion; bring children to class; don't pay attention; do other work in class; eat in class; call out; sleep in class; talk while you are teaching; tap pencils/pens; send text messages; are withdrawn; etc.
