"On the Banks of the Wabash, Far Away" was among the best-selling songs of the 19th century, earning over \$100,000 from sheet-music revenues. Written and composed by American songwriter Paul Dresser, it was published by the Tin Pan Alley firm of Howley, Haviland and Company in October 1897. The lyrics of the ballad reminisce about life near Dresser's childhood home by the Wabash River in Indiana, United States. The song remained popular for decades, and the Indiana General Assembly adopted it as

Quantitative easing is a tool that central banks, like us, can use to inject money directly into the economy. Money is either physical, like banknotes, or digital, like the money in your bank account. Quantitative easing involves us creating digital money. We then use it to buy things like government debt in the form of bonds.
