A History Of The Present

History of the Present is a journal devoted to history as a critical endeavor. Its aim is twofold: to create a space in which scholars can reflect on the role history plays in making categories of contemporary debate appear inevitable, natural, or culturally necessary; and to publish work that calls into question certainties about the relationship between past and present that are taken for granted by the majority of practicing historians.

What is involved in writing a history of the present? It's not quite the oxymoron it may appear to be. It is often enough that we find ourselves in the middle of complicated, confusing, and interwoven events locally, regionally, or globally -- events that require much the same sort of conceptual and integrative work that the Manchu conquest of China or the Odessa mutiny requires for the traditional historian.
