Principles of Accounting Volume 1 - Financial Accounting

The text and images in this book are in grayscale. A hardback color version is available. Search for ISBN 9781680922929.

Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and

non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

We've made the questions in our interview book so thorough so that you won't stumble on any questions on your big 4 interviews. Brought to you by the team behind the Amazon ebook -- The Big 4 Accounting Firms Recruiting Guide We are a team of Certified Public Accountants ("CPA's") who work at the Big Four (Pricewaterhousecoope

rs, KPMG, Ernst & Young or Deloitte). We all have at least 8 years of Big 4 experience. This book offers: □ questions that you can ask your big 4 recruiter □ questions that you can ask your big 4 partner □ a free resume template at the end of the book. □ over 30 interview questions and answers to help you get ready This book will help you shed your fear of not having enough knowledge about the big 4 interview process and how the big 4 operate. You don't need to know every single thing about how the big 4 operate, but we focus you in on the key simple areas that will 10X your chances of being one of the top big 4 candidates. The format of the book is to first provide you with

the question that will be asked in the interview. Then we provide the reason around why the big 4 ask that question. Then we give what a bad answer would be to the questions, and what a good answer would be. The reason we formatted the book this way is to help you understand the types of questions that you will be asked and why you are being asked those questions. There are too many times where I have interviewed candidates, and they answered with an inappropriate answer. They didn't respond inappropriately because they are stupid or bad people. They responded inappropriately because they didn't practice or no one

taught them how to interview. There are several categories that the big four public accounting firms like EY, Deloitte, PwC and KPMG test you on when they interview you. We try to cover as many of the categories as possible in this book. The big 4 interview questions are split into these categories. The skills that the top 4 accounting firms will test you on are: 1. Ability to face change 2. Ability to learn on the job 3. Your courage and integrity 4. Your client relationship skills 5. Can you build and sustain relationships? 6. Can you coach others? These and many other categories are covered in the big 4 interview questions books. We categorize our questions to help you think about your

answers in a more thoughtful manner. Big 4 Accounting Firms Interview Questions will help you understand the: 📖 PwC interview questions and answers 📖 KPMG interview questions and answers 📖 EY interview questions and answers 📖 Deloitte interview questions and answers Don't forget to use the Look Inside feature to get a preview of what our book has to offer including a Free Big 4 Accounting Resume Template. You might also have a negative mindset that you feel like you can't shake. We have some tips on how to stay positive throughout the recruiting process. Even if you aren't a positive person, we tell you how to come off to Big 4 professionals as a

positive individual.
