Understanding The Impacts of Social Media: Pros and Cons

The pros and cons of social media marketing show that there must be a balance achieved between these two areas. Not being on social media is not the solution, so it becomes necessary to evaluate all of the pros and cons so that each risk can be evaluated and avoided whenever possible. No gain can be achieved without risk, but too much risk ...

20 Pros and Cons of Social Media Marketing - BrandonGaille.com

Social media are also making it more

difficult to separate our professional and social lives. We end up being "Facebook friends" with colleagues, and in some cases this may backfire. Police surveillance and social media monitoring by governments may also make you feel uncomfortable. Social media platforms store too much information about us.

Social networking pros and cons: Are social media good ...

Social media (let's be honest, mainly Facebook) has made it possible to instantly share photos and updates with your entire network of friends and family. While a yearly family newsletter and Christmas cards are still nice, being constantly connected in that way with everyone you love is one of the huge selling points of social media platforms.

The PROs and CONs of Social Media - SEO Enterprise

Social media helps people who are socially isolated or shy connect with other people. More than 25% of teens report that social media makes them feel less shy, 28% report feeling more outgoing, and 20% report feeling more confident (53% of teens identified as somewhat shy or "a lot" shy in general).
