The Rylee Adamson & Elementals Series Reading Order. There are two ways to read through my Rylee Adamson and Elemental series books. They DO cross over, but I wrote them in a way that you don't HAVE to read both if you don't want. First way of reading is to start with The Rylee Adamson Series and read it right through.

Lynchpin by Shannon Mayer comes from a epilogue series after the Rylee Adamson series and is the 4th installment. This also gives us a unique perspective from Rylee's first "pack member" Alex. If you have read Rylee Adamson main series you will know that Alex is a unique being stuck between werewolf and human form.

James Patterson is primarily known for his Alex Cross and Women's Murder Club series. The NYPD Red series, which he co-authors with Marshall Karp, is quietly becoming one of the most favoured by readers and the latest book hits bookshelves this month. Karp is an excellent writer and is one of the best series. Only 6 books in so a great series to read over the holiday season.

This short story was a look into the beloved character that is Alex from the Rylee Adamson series. A submissive wolf who we know is fun, simple and lovable, is also a victim. He was forced into what he is now and while this story gives hope that his future might be looking up, there was something so heartbreaking watching his mind disappear.
