Harley Evolution Engine Reliability

Although some of its newer bikes can be fairly pricey, Harley's reputation for design conservatism means used models offer similar looks at a discount. Unfortunately, many past Harley-Davidsons suffered reliability and quality-control issues, which made them expensive to own and maintain. But there's one used Harley that has a particularly bulletproof reputation: the Evolution-engine Harley-Davidson Sportster.

Which Used Harleys Are the Most Reliable?

Although the Evolution's engine design offered many advantages compared to previous Harley designs, the most important upgrades improved reliability and durability. After all, a large part of the company's downfall in the 70s had been due to outdated engine designs.
