The Blind Men and the Elephant Activity Pack (teacher made)

The parable of the blind men and an elephant originated in the ancient Indian subcontinent, from where it has been widely diffused. It is a story of a group of blind men who have never come across an elephant before and who learn and conceptualize what the elephant is like by touching it. Each blind man feels a different part of the elephant's

body, but only one part, such as the side or the tusk.
