The Fund Industry: How Your Money is Managed

At first glance, there doesn't seem to be anything out of the ordinary about a mutual fund. Each mutual fund is a separate corporation, often referred to as an investment company or registered investment company, or RIC. 1 Like other corporations, mutual funds issue shares to the public. These shares represent proportional ownership of the fund: Own 10 percent of a fund's shares, and you effectively own 10 percent of both its assets and its liabilities.
