The Economics of Casino Gambling - College of Charleston

As a result of gambling, some are driven to extreme lengths to cover debt.

Severely addicted gamblers spend most of their energy following their addiction.

They cost companies loss of productivity and profit. Gamblers themselves may suffer from depression and bankruptcy.

Some may go into severe debt and suffer anxiety because of it. The social costs to society are varied and include unemployment benefits, family services and medical treatment to gamblers.

During times of economic success, casino
