The following steps will help you manage conflict more effectively: 1. Knowing When to Get Involved. When a member of your team or department is involved in a conflict at work, your role as a supervisor is to provide feedback and coaching

to help them develop and use effective conflict management skills. In many cases, you may not be directly involved, but your support will be important in helping the person manage the situation effectively.

Mastering Conflict Management Skills | Supervisory ...

Managing conflict. Allow time for cooling down. Analyse the situation. State the problem to the other person. Leave the person for some time. Use a win-win approach. Factors affecting conflict. Personality traits affect how people handle conflict. Threats from one party in a disagreement tend to produce more threats from the other.
