I Spy a Christmas Tree

Scholastic Inc.
Photographs and rhymes provide clues for a Christmas-themed search-and-find the objects game.

Hillbilly Elegy

A Memoir of a Family and Culture in Crisis *HarperCollins*
THE #1 NEW YORK TIMES BESTSELLER IS NOW A MAJOR-MOTION

PICTURE DIRECTED BY RON HOWARD AND STARRING AMY ADAMS, GLENN CLOSE, AND GABRIEL BASSO "You will not read a more important book about America this year."—The Economist "A riveting book."—The Wall Street Journal "Essential reading."—David Brooks, New York Times *Hillbilly Elegy* is a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The disintegration of this group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true

story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of *Hillbilly Elegy* plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and, most of all, his mother

struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his chaotic family history. A deeply moving memoir, with its share of humor and vividly colorful figures, *Hillbilly Elegy* is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.

Help Me Learn Addition
Holiday House

This book is aligned with the Common Core State Standards for kindergarten and first-grade mathematics in operations and algebraic thinking: (K.OA. 1-5) and (1.OA. 1-8). We have 8 little chicks. We add 1 more, then we add 1 more. Now we have ten! Bright photographs of puppets, marbles, chicks, dogs, and other fun objects, a rhyming

text, and a fun game help children learn to add. This book teaches children how to connect numbers with a value and introduces them to mathematical equations. As the author explains, "This is a book about experiencing addition through hands-on play and exploration."

Rebel Spy *Delacorte Press*

A reimagining of the story behind Agent 355--a New York society girl and spy for George Washington during the Revolutionary War--perfect for fans of Tatiana de Rosnay's *Sarah's Key* and the novels of Julie Berry. Rebellious Frannie Tasker knows little about the war between England and its thirteen colonies in

1776, until a shipwreck off her home in Grand Bahama Island presents an unthinkable opportunity. The body of a young woman floating in the sea gives Frannie the chance to escape her brutal stepfather--and she takes it. Assuming the identity of the drowned Emmeline Coates, Frannie is rescued by a British merchant ship and sails with the crew to New York. For the next three years, Frannie lives a lie as Miss Coates, swept up in a courtship by a dashing British lieutenant. But after witnessing the darker side of the war, she realizes that her position gives her power. Soon she finds herself eavesdropping on British officers, risking everything to

pass information on to George Washington's Culper spy ring as agent 355. Frannie believes in the fight for American liberty--but what will it cost her? Inspired by the true "355" and rich in historical detail and intrigue, this is the story of an unlikely New York society girl turned an even unlikelier spy.
