I've been playing 4 years, I came across this amp by chance and I love it, if it were lost or stolen I'd try and find it again or maybe upgrade to the stereo chorus 212 but it's very good. I love the sound quality and its retro looks. It's much better than any lower end Marshall. It would be nice i...

Last month I bought a Peavey Stereo Chorus 400 amp from a local pawn shop. I heard that this is a very old and rare amp, so I was quick to purchase it. All the other amps that I have played have been Kustoms and Peavey Vypers, so the SC400 is a totally new thing for me.

"peavey amp" - craigslist

2 user reviews on Peavey Stereo Chorus 212. I got this amp used for \$300 as an upgrade from a small practice amp. I

had a choice between this and a Fender Princeton Chorus. I picked this amp over the Fender Chorus because it has a much better bottom end. The dual 12 drivers handel extreamly dropped tunings quite well.

User reviews: Peavey Stereo Chorus 212 - Audiofanzine

I just scored a great deal on a used amp! It's a Peavey Stereo Chorus 212. I have been looking for a larger SS amp for steel guitar, because all my other guitar amps break up too soon. (Not enough clean headroom) When I need to play at higher volumes in a band situation. The Peavey has two scorpion 12" speakers and 130 Watts per channel!
