This book analyzes socio-religious transformation in Tanzania. Some scholars claim that religion has returned to the public domain since the collapse of Tanzanian socialism, and that there is a tension between Muslims and Christians. Based on focus group discussions in Dar es Salaam, author Thomas Joseph Ndaluka acquires insight into Muslim - Christian relations using Critical Discourse Analysis.

definition of social cohesion, the strong religious fundament and close monitoring made the member of society believe that they shared a moral community that enable them to trust each other.

Social cohesion: Definition, measurement and developments

Abstract. The objective of this thesis is to examine the ways that a notion of faith has been conceived and operationalised as a key aspect in the development of a British social cohesion discourse in public policy since 2001. Using data drawn from ethnography in Greater Manchester, the thesis also aims to investigate the extent to which this conception is translated into practice through local organisations, and to examine the particular contribution of South Asian religious traditions to ...
