FIRE INSPECTOR STUDY GUIDE 1 Flashcards | Quizlet

Jack London 's short story To Build a Fire, tells of a man and his wolf dog struggling to survive in the frozen Yukon. Written in 1908, just after the Klondike Gold Rush, the tale

exemplifies naturalism as a literary movement. Naturalism presents both the social and natural environments as indifferent and harsh to their inhabitants; humans have no free will, and keen instinct rather than civilized intellect is necessary for survival.
