The Jungle was a portable game console in development by Panasonic, and announced in October 2010. With a design being roughly similar to a small laptop, it

was developed as a portable platform for MMOs and aimed at players who wanted to play online games on the go. The Jungle was also Panasonic's first attempt at creating a handheld console. It was expected to be released in mid-2011, effectively putting it into the eighth generation of gaming along with the Nintendo 3DS and the then-unreleased
