Gender and Urban Space by Daphne Spain :: SSRN

Abstract. Informed by feminist debates about the distinction between public and private in western urban societies, this article examines some urban landscapes created or transformed in recent decades with a view to assessing the extent to which emancipatory conceptions of gender are apparent. Evidence drawn from the city of Edinburgh shows how divisions between public space and private space operate at different scales and take different forms in different neighborhoods.

Gender, Sexuality, and Space by Jen Jack Giesekeing. Attempts to understand the mutual co-production of space and identity have ranged across discussions of race, ethnicity, gender, age, disability, nationality, and sexuality. In particular, "gender and space" and "sexuality and space" are recurring topics in the study of place and identity. For example, the Gender & Geography Bibliography has been the on-going project of dozens of scholars for nearly three decades and now lists ...
