New York | Encyclopedia.com

New York City - New York City - Growth of the metropolis: Despite the loss of the national government, New York's population skyrocketed in 1781-1800, and it became America's largest city. Once again trade grew rapidly, and not even the War of 1812 hindered development; an auction system for surplus British merchandise dumped in New York solidified the city's economic position after 1816.
