Keeping It Real Personal Reflections

There is such thing as keeping it too real, which can lead to a bad counseling relationship, possibly ending in a referral to a new counselor. The Counseling Process The foundation of the counseling process is establishing a good report with the client and building off of that to have a strong counseling relationship where the individual can be themselves.

Keeping it VERY real today: Post- interview reflection

Although it can feel a bit contrived, it can be helpful, especially at first, to keep a journal of learning experiences. This is not about documenting formal courses, but about taking everyday activities and events, and writing down what happened, then reflecting on them to consider what you have learned from them, and what you could or should have done differently.
