THE LAST OF THE WINE

The Last of the Wine *Open Road Media*

New York Times bestseller: A “highly superior historical novel” about the bond that grows between two men in ancient Athens (Saturday Review). Alexias is a young aristocrat living during the end of Athens’s Golden Age. Prized for his beauty and athletic prowess, Alexias studies under Sokrates with his closest friend, Lysis. Together, the young men come of age in an Athens on the verge of great upheaval. They attend the Olympics, partake in symposia, fight on the battlefields of the Peloponnesian War, and fall in love. The first of Mary Renault’s celebrated historical novels of ancient Greece, The Last of the Wine follows Alexias and Lysis into adulthood, when Athens is defeated by Sparta, the Thirty Tyrants take hold of the city, and the lives of both men are changed forever. Through their friendship, Renault opens a vista onto ancient Greek life, uncovering its vibrancy, culture, and political strife, and offers an unforgettable story of love, honor, loyalty, and the remarkable bond between two men. This ebook features an illustrated biography of Mary Renault including rare images of the author. “Mary Renault is a shining light to both historical novelists and their readers. She does not pretend the past is like the present, or that the people of ancient Greece were just like us. She shows us their strangeness; discerning, sure-footed, challenging our values, piquing our curiosity, she leads us through an alien landscape that moves and delights us.” —Hilary Mantel

Adventures on the Wine Route *Farrar, Straus and Giroux*

When Adventures on the Wine Route was first published, Victor Hazan said, "In Kermit Lynch's small, true, delightful book there is more understanding about what wine really is than in everything else I have read." A quarter century later, this remarkable journey of wine, travel, and taste remains an essential volume for wine lovers. In 2007, Eric Asimov, in The New York Times, called it "one of the finest American books on wine," and in 2012, The Wall Street Journal pro-claimed that it "may be the best book on the wine business." In celebration of its twenty-fifth anniversary, Adventures on the Wine Route has been thoroughly redesigned and updated with an epilogue and a list of the great wine connoisseur's twenty-five most memorable bottles. In this singular tour along the French wine route, Lynch ventures forth to find the very essence of the wine world. In doing so, he never shies away from the attitudes, opinions, and beliefs that have made him one of our most respected and outspoken authorities on wine. Yet his guiding philosophy is exquisitely simple. As he writes in the introduction, "Wine is, above all, about pleasure. Those who make it ponderous make it dull . . . If you keep an open mind and take each wine on its own terms, there is a world of magic to discover." Adventures on the Wine Route is the ultimate quest for this magic via France's most distinguished vineyards and wine cellars. Lynch draws vivid portraits of vintners—from inebriated négociants to a man who oversees a vineyard that has been in his family for five hundred years—and memorably evokes the countryside at every turn. "The French," Lynch writes, "with their aristocratic heritage, their experience and tradition, approach wine from another point of view . . . and one cannot appreciate French wine with any depth of understanding without knowing how the French themselves look at their wines, by going to the source, descending into their cold, humid cellars, tasting with them, and listening to the language they employ to describe their wines." Here, Kermit Lynch assures a whole new generation of readers—as well as his loyal fans—that discussions about wine need not focus so stringently on "the pH, the oak, the body, the finish," but rather on the "gaiety" of the way "the tart fruit perfume[s] the palate and the brain."

Come Pour the Wine *Open Road Media*

Dandelion Wine *Spectra*

The summer of '28 was a vintage season for a growing boy. A summer of green apple trees, mowed lawns, and new sneakers. Of half-burnt firecrackers, of gathering dandelions, of Grandma's belly-busting dinner. It was a summer of sorrows and marvels and gold-fuzzed bees. A magical, timeless summer in the life of a twelve-year-old boy named Douglas Spaulding—remembered forever by the incomparable Ray Bradbury. The only god living in Green Town, Illinois, that Douglas Spaulding knew of. The facts about John Huff, aged twelve, are simple and soon stated. • He could pathfind more trails than any Choctaw or Cherokee since time began. • Could leap from the sky like a chimpanzee from a vine. • Could live underwater two minutes and slide fifty yards downstream. • Could hit baseballs into apple trees, knocking down harvests. • Could jump six-foot orchard walls. • Ran laughing. • Sat easy. • Was not a bully. • Was kind. • Knew the words to all the cowboy songs and would teach you if you asked. • Knew the names of all the wild flowers and when the moon would rise or set and when the tides came in or out. He was, in fact, the only god living in the whole of Green Town, Illinois, during the twentieth century that Douglas Spaulding knew of. “[Ray] Bradbury is an authentic original.”—Time

The Wine Bible *Workman Publishing Company*

Announcing the completely revised and updated edition of The Wine Bible, the perennial bestselling wine book praised as “The most informative and entertaining book I’ve ever seen on the subject” (Danny Meyer), “A guide that has all the answers” (Bobby Flay), “Astounding” (Thomas Keller), and “A magnificent masterpiece of wine writing” (Kevin Zraly). Like a lively course from an expert teacher, The Wine Bible grounds the reader deeply in the fundamentals while layering on informative asides, tips, amusing anecdotes, definitions, glossaries, photos (all new for this edition), maps, labels, and recommended bottles. Karen MacNeil's information comes directly through primary research; for this second edition she has tasted more than 10,000 wines and visited dozens of wine regions around the world. New to the book are wines of China, Japan, Mexico, and Slovenia. And through it all the reader becomes ever more informed—and, because of the author's unique voice, always entertained: “In great years Pétrus is ravishing, elegant, and rich—Ingrid Bergman in red satin.” Or, describing a Riesling: “A laser beam. A sheet of ice. A great crackling bolt of lightning.”

30 Years of Last of the Summer Wine *BBC Books*

This book is a tribute to the long-running sitcom "Last of the Summer Wine." It contains interviews with the show's major stars, and recalls the numerous guest stars that have been featured over the years, from John Cleese to Kate Robbins. There is a guide to every single show since 1973 and archive photographs that provide a nostalgic trip down memory lane.

Last of the Summer Wine *Quarto Publishing Group USA*

Quite simply, Last of the Summer Wine is the longest-running comedy programme in the world. It premiered 37 years ago, in 1973, and, after 31 series it finally came to an end last year – even though all its original protagonists – Compo, Foggy, even Nora Batty – are now dead. Remarkably, for a series of such longevity and international appeal, it is all about elderly people, has little action or plot, and is set and filmed in and around the small Yorkshire town of Holmfirth. Now, Andrew Vine, the deputy editor of Yorkshire's daily newspaper, has written the definitive history of this television phenomenon. It covers the show's inauspicious beginnings, with low ratings, its endless reinvention as participants like Bill Owen, Michael Bates, Brian Wilde and Kathy Staff retired or died, the appearance of a string of guest stars from John Cleese and Norman Wisdom to Thora Hird and Russ Abbott (both of whom soon found themselves fixtures in the cast), and the ingenious plot contrivances as the protagonists became too old and frail to attempt any of the slapstick stunts with runaway prams – indeed any outdoor action. Holmfirth is now a year-round tourist attraction, and endless repeats and new DVD box sets will ensure a readership for this book for years to come.

The Wine of Angels *Atlantic Books*

The first in the historically rich, atmospheric mystery series featuring female exorcist Reverend Merrily Watkins The new vicar had never wanted a picture-postcard parish—or a huge and haunted vicarage. But this is Ledwardine, steeped in cider and secrets. A paradise of cobbled streets and timber-framed houses. And also—as Merrily Watkins and her teenage daughter, Jane, discover—a village where horrific murder is a tradition that spans centuries.

Love Is The Wine *SCB Distributors*

Love is the Wine presents an intoxicating mix of essays to satisfy the spiritual thirst of those with long experience in Islam, as well as those encountering Sufism and the meaning of spiritual love for

the first time. Themes including generosity, faith, self-knowledge, patience, and love are developed with stories and teachings by Turkish Sufi master Sheikh Muzaffer Ozak. A mesmerizing storyteller, master teacher, and prolific author in his native country, he was ideally suited to bring the richness of the Sufi tradition to the West. The chapters of this book, skillfully edited and compiled by the psychologist and Sufi teacher Dr. Robert Frager, were derived from talks given during Sheikh Muzafffer's visits to New York and California over the last years of his life. Sheikh Muzaffer Ozak understood Westerners as almost no Sufi master before him has. His religious bookshop in Istanbul attracted hundreds of Western seekers visiting Turkey. In his travels, he initiated hundreds of Americans and Europeans into the Halveti Jerrahi Order, interpreted their dreams, and answered their questions about everything from theology and mysticism to marriage and earning a living. These stories and teachings are memorable, yet highly enigmatic, and meant to be told and retold. Like great spiritual parables, the themes are universal and their applications ageless. The astute reader will appreciate new levels of meaning in these profound teaching tales with each reading. Love is the Wine is a treasury filled with priceless items of Sufi wisdom.

Sailing the Wine-Dark Sea *Anchor*

In Sailing the Wine-Dark Sea, his fourth volume to explore “the hinges of history,” Thomas Cahill escorts the reader on another entertaining—and historically unassailable—journey through the landmarks of art and bloodshed that defined Greek culture nearly three millennia ago. In the city-states of Athens and Sparta and throughout the Greek islands, honors could be won in making love and war, and lives were rife with contradictions. By developing the alphabet, the Greeks empowered the reader, demystified experience, and opened the way for civil discussion and experimentation—yet they kept slaves. The glorious verses of the Iliad recount a conflict in which rage and outrage spur men to action and suggest that their “bellicose society of gleaming metals and rattling weapons” is not so very distant from more recent campaigns of “shock and awe.” And, centuries before Zorba, Greece was a land where music, dance, and freely flowing wine were essential to the high life. Granting equal time to the sacred and the profane, Cahill rivets our attention to the legacies of an ancient and enduring worldview. BONUS MATERIAL: This ebook edition includes an excerpt from Thomas Cahill's Heretics and Heroes.

His bestselling novel, Jackapple Joe, was published ten years earlier and he has written nothing since. Impulsively, he decides to leave his urban life in London and, sight unseen, purchases a farmhouse in the remote French village of Lansquenet. The Noble Rot Book: Wine from Another Galaxy *Hardie Grant Publishing*

Winner of the Guild of Food Writers Drinks Book Award 2021 Shortlisted for the André Simon Food and Drink Book Awards 2020 "Noble Rot manages to unravel the mysteries of wine with insight and humour. A wonderful - and essential - read for anyone interested in the world of wine, or even for those, like me, who just drink it." — Nigella Lawson "The Noble Rot guys have the ability to describe wines as if theyre either future friends, or rock-stars coming to blow your mind." — Caitlin Moran "Noble Rot has brought originality, humour and now space travel to the very serious business of drinking wine. About time too." — Brian Eno "Dan and Mark do that thing that only crazy knowledgeable enthusiasts can do, they make you a crazy enthusiast too. If they said, 'We've found a wine like no other, a wine that actually lights up the sky, but you can only drink it in the desert at midnight, are you coming? Id be off, and I'd be confident of meteor showers. They provoke curiosity - 'how does anyone make this extraordinary drink just with grapes?' - excitement, joy, and a longing for knowledge. Now, in this book, they're sharing the knowledge." — Diana Henry "To really know and love a wine one should know the grower and the vineyard. This isn't always or even often possible, which is why the Rotters introduce these wines at source. You learn that making wine, as cooking should be, is an act of love. You will come to love this book too." — Rowley Leigh Choosing wine in a restaurant or shop can seem an unfathomable business. But, according to Dan Keeling and Mark Andrew, the duo behind London's Noble Rot, it needn't be that way. In Wine from Another Galaxy they'll help you to understand how it is made, where to buy it, what to look for when you drink it, and how to talk about it. And once you've mastered the basics, they'll take you on a journey through the best of European wine culture, meeting the people and places behind their favourite bottles. Indeed, Dan and Mark have spent years visiting growers that you probably haven't heard of, from the original thinkers of the natural wine movement to the iconic estates of Burgundy and Bordeaux. This is the alternative, accessible, no-holds-barred guide to wine, where the usual clichés and rules don't apply.

From the hot Kiev summers to the cruel winters of St Petersburg and eventually to springtime in Paris, the would-be writer Hélène blossoms, despite her mother's neglect, into a clear-eyed observer of the life around her. The King Must Die *Open Road Media*

New York Times Bestseller: This retelling of the Greek myth of Theseus, king of Athens, is “one of the truly fine historical novels of modern times” (The New York Times). In myth, Theseus was the slayer of the child-devouring Minotaur in Crete. What the founder-hero might have been in real life is another question, brilliantly explored in The King Must Die. Drawing on modern scholarship and archaeological findings at Knossos, Mary Renault's Theseus is an utterly lifelike figure—a king of

immense charisma, whose boundless strivings flow from strength and weakness—but also one steered by implacable prophecy. The story follows Theseus's adventures from Troizen to Eleusis, where the death in the book's title is to take place, and from Athens to Crete, where he learns to jump bulls and is named king of the victims. Richly imbued with the spirit of its time, this is a page-turner as well as a daring act of imagination. Renault's story of Theseus continues with the sequel The Bull from the Sea. This ebook features an illustrated biography of Mary Renault including rare images of the author.
