Alfa Romeo 166 - Alfa-Service

The Alfa Romeo 166 is an executive car
produced by the Italian automaker Alfa
Romeo between 1998 and 2007. The
166 was the replacement for the Alfa
Romeo 164, and although the 164 had
styling which was far from orthodox, the
166 with its drooping headlamps and
pointed nose still raised many eyebrows.
The styling was very much in keeping
with Alfa's corporate style of the time,
which had begun with the smaller 156
model.

Alfa Romeo 166 Parts - Alfa Workshop

In order to keep the design fresh, Alfa Romeo made a series of modifications to the Lancia Kappa based underpinnings, radically changing the suspension set up, and also taking a clean paper approach to the interior. The 166 served as the replacement for the 164. The model was available from the end of 1998.

Introduction The Alfa 166 replaced the 164 as the Italian marque's executive car. It is a truth universally acknowledged that Italian's have never done big luxobarges as well as their German counterparts... but all those ministers and heads of state need something to be driven around in and the platform shared 166/Lancia Kappa was it.
