Harper Collins

A fascinating glimpse behind the big suits and deadpan looks to the heart and soul of a band that made it big by playing it cool With their minimalist beats, sophisticated lyrics, and stoic mien, the Talking Heads were indisputably one of the most influential and intriguing bands of their time. Rising from the ashes of punk and the smoldering embers of the disco inferno, they effectively straddled the boundaries between critical and commercial success as few other groups did, with music you could deconstruct and dance to at the same time. Culture critic David Bowman tells the fascinating story of how this brain trust of talented musicians turned pop music on its head. From the band's inception at the Rhode Island School of Design to their first big gig opening for the Ramones at CBGB, from their prominence in the worlds of art and fashion to the clash of egos and ideals that left them angry, jealous, and ready to call it quits, Bowman closely chronicles the rise and fall of a stunningly original and gloriously dysfunctional rock 'n' roll band that stayed together longer than anyone thought possible, and left a legacy that influences artists to this day.

Rachael Ray presents 125+ recipes straight from her home kitchen in upstate New York, with personal stories on loss,

gratitude, and the special memories that make a house a home. “I wanted to write this book because for the first time in my fifty-two years, everyone on the planet was going through the same thing at the same time. We were all feeling the same fear, heartsickness, worry, and sadness, but due to the nature of the virus, it was hard to connect. I connect through cooking, and I noticed that’s what many others were doing as well. We took to the kitchen to share something of ourselves—and cooking became the discipline, diversion, and devotion that got us through.” You may think you know Rachael Ray after decades of TV appearances and dozens of books, but 2020 changed us all and it changed her, too—her life and her direction. During the early months of the pandemic in upstate New York, far away from her New York City television studio, Rachael Ray and her husband, John, went to work in their home kitchen hosting the only cooking show on broadcast TV. At her kitchen counter, with the help of her iPhone cameraman (John), Rachael produced more than 125 meals—everything from humble dishes composed of simple pantry items (One-Pot Chickpea Pasta or Stupid Good, Silly Easy Sausage Tray Bake) to more complex recipes that satisfy a craving or celebrate a moment (Porcini and Greens Risotto or Moroccan Chicken Tagine). *This Must Be the Place* captures the words, recipes, and images that will forever shape this time for Rachael and her family, offering readers inspiration to rethink and rebuild what home means to them now.

Slowly the contents of the box begin to fit together to tell a story—one of a powerful friendship, a lost love, and a secret that, if revealed, could change everything that Mona, Oneida, and Arthur know to be true. An Architectural History of Popular Music Performance Venues *Bloomsbury Publishing USA*

This Must Be The Place is the first architectural history of popular music performance space, describing its beginnings, its different typologies, and its development into a distinctive genre of building design. It examines the design and form of popular music architecture and charts how it has been developed in ad-hoc ways by non-professionals such as building owners, promoters, and the musicians themselves as well as professionally by architects, designers, and construction specialists. With a primary focus on Europe and North America (and excursions to Australia, the Far East and South America), it explores audience experience and how venues have influenced the development of different musical scenes. From music halls and Vaudeville in the 1800s, via the seminal clubs and theatres of the 20th century, to the large-scale multi-million-dollar arena concerts of today, this book explores the impact that the use of private and public space for performance has on our cities' urban identity, and, to a lesser extent, how rural space is perceived and used. Like architecture, popular music is neither static nor standardized; it continuously develops and has multiple strands. *This Must Be The Place* describes the factors that have determined the development of music venue architecture, focusing on both famous and less well-known examples from the smallest bar room music space to the largest stadium-filling rock set.

Remain in Love

Talking Heads, Tom Tom Club, Tina *St. Martin's Press*

Two iconic bands. An unforgettable life. One of the most dynamic groups of the '70s and '80s, Talking Heads, founded by drummer Chris Frantz, his girlfriend Tina Weymouth, and lead singer David Byrne, burst onto the music scene, playing at CBGBs, touring Europe with the Ramones, and creating hits like “Psycho Killer” and “Burning Down the House” that captured the post-baby boom generation’s intense, affectless style. In *Remain in Love*, Frantz writes about the beginnings of Talking Heads—their days as art students in Providence, moving to the sparse Chrystie Street loft Frantz, Weymouth, and Byrne shared where the music that defined an era was written. With never-before-seen photos and immersive vivid detail, Frantz describes life on tour, down to the meals eaten and the clothes worn—and reveals the

mechanics of a long and complicated working relationship with a mercurial frontman. At the heart of *Remain in Love* is Frantz's love for Weymouth: their once-in-a-lifetime connection as lovers, musicians, and bandmates, and how their creativity surged with the creation of their own band Tom Tom Club, bringing a fresh Afro-Caribbean beat to hits like "Genius of Love." Studded with memorable places and names from the era—Grace Jones, Andy Warhol, Stephen Sprouse, Lou Reed, Brian Eno, and Debbie Harry among them—*Remain in Love* is a frank and open memoir of an emblematic life in music and in love.

Kin *Aperture Foundation*

Pieter Hugo has garnered critical acclaim for his series of portraits and landscapes, each of which explore a facet of his native South Africa and neighboring African countries, including the film sets of Nigerias Nollywood; and toxic garbage dumps in Ghana; and sites of mass executions in Rwanda, as well as albinos, the Hyena Men of Nigeria, honey collectors, and garbage scavengers. *Kin*, a collection of images shot throughout South Africa over the past decade, focuses instead on the photographers family, his community, and himself. Writer John Mahoney characterizes it as the artists first major work to focus exclusively on his personal experience in his native South Africa, a place defined by centuries of political, cultural, and racial tensions and

contradictions. Hugo describes his series as an engagement with the failure of the South African colonial experiment and my sense of being colonial driftwood. South Africa is such a fractured, schizophrenic, wounded, and problematic place . . . How does one take responsibility for history, and to what extent should one try? How do you raise a family in such a conflicted society? This work attempts to address these questions and reflect on the nature of conflicting personal and collective narratives.

Music and Heritage

New Perspectives on Place-making and Sonic Identity *Routledge*

Music and Heritage provides new thinking about the diverse ways people engage with heritage. By exploring the relationships that exist between music, place and identity, the book illustrates how people form attachments to place and how such attachments are represented by sound and music-making. Presenting case studies and perspectives from across a range of genres, the volume argues that combining music with heritage provides an alternative and productive opportunity to think about heritage values and place attachment. Contributions to this edited collection use a diversity of methods, perspectives, cues and genres to reflect critically on issues related to these and other interconnections in ways that encourage new thinking about the character, meaning and purpose of cultural heritage, and the various ways in which people can interact with it through sound – thus re-encountering the supposedly familiar world around them. Taking heritage studies, musicology and place-making research in new directions, Music and Heritage will be of interest to academics and students engaged in the study of heritage, history, music, geography and anthropology. It will also be relevant to those with an interest in how music relates to place-making and place attachment, as well as to practitioners and policymakers working in the planning, design and creative sectors.

One of Book Riot's Best Books to Give as Gifts in 2020. In 1995 Kailua-Kona, Hawaii, on a rare family vacation, seven-year-old Nainoa Flores falls overboard a cruise ship into the Pacific Ocean. When a shiver of sharks appears in the water, everyone fears for the worst. But instead, Noa is gingerly delivered to his mother in the jaws of a shark, marking his story as the stuff of legends. Nainoa's family, struggling amidst the collapse of the sugarcane industry, hails his rescue as a sign of favor from ancient Hawaiian gods—a belief that appears validated after he exhibits puzzling new abilities. But as time passes, this supposed divine favor begins to drive the family apart: Nainoa, working now as a paramedic on the streets of Portland, struggles to fathom the full measure of his expanding abilities; further north in Washington, his older brother Dean hurtles into the world of elite college athletics, obsessed with wealth and fame; while in California, risk-obsessed younger sister Kauai navigates an unforgiving academic workload in an attempt to forge her independence from the family's legacy. When supernatural events revisit the Flores family in Hawai'i—with tragic consequences—they are all forced to reckon with the bonds of family, the meaning of heritage, and the cost of survival.

East of Eden *Penguin*

A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called *East of Eden* "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, *East of Eden* is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, *East of Eden* has remained vitally present in American culture for over half a century.

White Teeth *Vintage*

NATIONAL BESTSELLER • Set against London's racial and cultural tapestry, venturing across the former empire and into the past as it barrels toward the future, *White Teeth* revels in the ecstatic hodgepodge of modern life, flirting with disaster, confounding expectations, and embracing the comedy of daily existence. Zadie Smith's dazzling debut caught critics grasping for comparisons and deciding on everyone from Charles Dickens to Salman Rushdie to John Irving and Martin Amis. But the truth is that Zadie Smith's voice is remarkably, fluently, and altogether wonderfully her own. At the center of this invigorating novel are two unlikely friends, Archie Jones and Samad Iqbal. Hapless veterans of World War II, Archie and Samad and their families become agents of England's irrevocable transformation. A second marriage to Clara Bowden, a beautiful, albeit tooth-challenged, Jamaican half his age, quite literally gives Archie a second lease on life, and produces Irie, a knowing child whose personality doesn't quite match her name (Jamaican for "no problem"). Samad's late-in-life arranged marriage (he had to wait for his bride to be born), produces twin sons whose separate paths confound Iqbal's every effort to direct them, and a renewed, if selective, submission to his Islamic faith.

The Past

A Novel *HarperCollins*

Winner of the Windham Campbell Prize • A Washington Post Best Book of the Year • A Time Best Book of the Year • A San Francisco Chronicle Top 10 Book of the Year • A Huffington Post Best Fiction Book of the Year • A New York Times Editors’ Choice In her most accessible, commercial novel yet, the “supremely perceptive writer of formidable skill and intelligence (New York Times Book Review) turns her astute eye to a dramatic family reunion, where simmering tensions and secrets come to a head over three long, hot summer weeks. With five novels and two collections of stories, Tessa Hadley has earned a reputation as a fiction writer of remarkable gifts. She brings all of her considerable skill and an irresistible setup to *The Past*, a novel in which three sisters, a brother, and their children assemble at

their country house. These three weeks may be their last time there; the upkeep is prohibitive, and they may be forced to sell this beloved house filled with memories of their shared past (their mother took them there to live when she left their father). Yet beneath the idyllic pastoral surface, hidden passions, devastating secrets, and dangerous hostilities threaten to consume them. Sophisticated and sleek, Roland’s new wife (his third) arouses his sisters’ jealousies and insecurities. Kasim, the twenty-year-old son of Alice’s ex-boyfriend, becomes enchanted with Molly, Roland’s sixteen-year-old daughter. Fran’s young children make an unsettling discovery in a dilapidated cottage in the woods that shatters their innocence. Passion erupts where it’s least expected, leveling the quiet self-possession of Harriet, the eldest sister. Over the course of this summer holiday, the family’s stories and silences intertwine, small disturbances build into familial crises, and a way of life—bourgeois, literate, ritualized, Anglican—winds down to its inevitable end. With subtle precision and deep compassion, Tessa Hadley brilliantly evokes a brewing storm of lust and envy, the indelible connections of memory and affection, the fierce, nostalgic beauty of the natural world, and the shifting currents of history running beneath the surface of these seemingly steady lives. The result is a novel of breathtaking skill and scope that showcases this major writer’s extraordinary talents.
