Amulet of Dreams Walkthrough - Part 2

An amulet, also known as a good luck charm, is an object believed to confer protection upon its possessor.The word "amulet" comes from the Latin word amuletum, which Pliny's Natural History describes as "an object that protects a person from trouble". Anything can function as an amulet; items commonly so used include gems, statues, coins, drawings, plant parts, animal parts, and written words.

Amulet - Wikipedia

He was handsome with long, blond hair, and Slaanesh felt the youth might even be his unwitting avatar. As a mark of his favour, Slaanesh instructed Ralke to commission the amulet, and in a dream state brought on by copious drugs and alcohol, the noble sanctified the jewellery in wine, fire, and the blood of a deflowered maiden. Since then, this amulet has passed from one Slaanesh adherent to another, the transition prompted by dreams in which the Dark God himself selects the next recipient.
